HREW NATIONAL CONFERENCE

Introduction

It will be awesome!!!! The Healing Rooms England & Wales Conference is back!

After a break of almost 4 years due to Covid we are able to get together again, with a range of international speakers and a top-class venue. Join us to be **Refreshed, Inspired, Blessed and Re-Invigorated**.

Be Refreshed by moving out of your own locality and hearing about the work of Healing Rooms around the UK and in Europe. Stories of amazing testimonies and the move of God in other peoples' lives.

Be Inspired by the words of God coming from our speakers, all of whom are internationally known and respected for their Christian ministries, their love of God and the compassion they bring with their God inspired words and in the outworking of their lives.

Be Blessed by taking time out to listen to God in a new way and be uplifted by the worship. Make time to visit a prophetic booth and see what may be in store for you. Pray with new friends.

Be Re-Invigorated by meeting old friends and making new ones. Hear about the fruitful activities they are engaged in and that you may want to try for yourself. Tell them about how God is moving in your Healing Rooms and testimonies that you want to share. Find a new book that will “light your fire”.

All of these things and more are available at the National Conference and an Overview follows so that you are well prepared for what's on offer.

Conference Overview

The Main Speaker

The main speaker for the 2 days will be Jean Luc Trachsel. Jean-Luc Trachsel is a Swiss based Healing Evangelist, who personally encountered God at a very young age. Jean-Luc believes that nothing is impossible. He actively works to bring unity among Christians and to proclaim the Gospel to this generation with mercy and compassion. His sensitivity to the Holy Spirit

allows the manifestation of the supernatural with signs, miracles, healings and salvation.

Jean-Luc is part of the senior and apostolic team Gospel Wave and member of Gospel Center in Oron-la-Ville (Switzerland), the President of the International Association of Healing Ministries (IAHM) and prime vision carrier of Europe Shall Be Saved movement. Together with Daniel Kolenda, he has also launched and co-chairs the Global Evangelist Alliance (GEA) under the banner of Empowered21. Internationally recognized speaker, he travelled over the five continents to more than ninety nations and shared the Gospel in all kinds of situations and circumstances.

Friday's Opening Speaker

Tim Churchward and his wife Jess have 2 daughters; Savannah aged 4 and Eden aged 2. Tim has a passion for the Word of God and cultural commentary, as well as seeing the Spirit move and stir revival. A life-long Southend Football Club fan, he understands the meaning of pain and walking through the valleys with Jesus! Tim is part of the senior team at Chroma Church and has a passion to see people understand the beauty of who God made them to be. He carries a powerful anointing to speak life and identity into whomever he meets.

Both Jess and Tim are graduates of Bethel School of Supernatural Ministry and also work with Paul and Sue Manwaring to support Bethel alumni in the UK and across Europe.

The Ministry Team

The Ministry team will be from our partner organisation, EastGate Church in North Kent. The church is led by Dr Pete Carter who was inspired to set up the "Heaven in Healthcare" ministry. Dr Pete Carter says, "Creative wisdom, encouragement, miracles and discernment all flowing through the activity of the Holy Spirit in Christians' lives – this has always been the normal potential of Christianity – God working in and through us to bless the world. Imagine what a difference we could make in the world if this was the dream and experience of every Christian working in the arena of Healthcare."

The ministry team will be led by Irène Nlandu

Irène has been working for Eastgate for nine years, organising conferences and leading the Prayer and Prophetic teams. As part of her role she also builds partnership with churches and ministries across the UK and Europe.

She is passionate about equipping Christians to walk in their destiny with boldness and have an impact on the world around them. She loves to see people growing deeper into intimacy with God and developing their awareness and understanding of the realities of heaven.

She trains and mentors emerging prophets as well as those who want to grow in maturity in the prophetic. She regularly teaches at Eastgate Spiritual School of Life. She also travels to equip and lead prophetic and ministry teams in churches, events and Christian festivals.

The Worship Leaders

The worship will be led by “Cath & Angus Music” of Halifax in Yorkshire. Cath and Angus MacGregor are worship leaders and songwriters. Their heart is to pursue, and enjoy, intimacy and encounter with God and to co-labour with Him to establish His Kingdom on earth, as it is in Heaven. Their latest adventure, The Dwelling Place Trail, takes them across the UK into people’s homes to worship and soak in God’s presence, pursuing healing, freedom and breakthrough for all.

The Seminar Leaders

Christine and David West – SOZO UK

Christine is the UK Director of Sozo UK. She and her husband David first encountered Bethel Sozo in 2008 at a UK training course run by Dawna and Tersa from Bethel Church, Redding, California. Since then they have thoroughly enjoyed training church teams and mentoring Sozo practitioners across the UK and occasionally internationally. Christine says that what she loves about Bethel Sozo is “... the freedom that it facilitates, seeing people more intimately connected to Father, Jesus and Holy Spirit. It is joy to see people leaving their Sozo session free from the lies that have shut them down and free from the unhealed wounds that have held them back”. David says that Sozo has brought him new levels of personal freedom that had previously eluded him and transformed the way that he ministers both in prayer ministry & prophetically.

Christine and David will be leading two seminars:

The first seminar will be on Friday afternoon, “**What is Sozo & how is it so effective?**”, will explain what Sozo is and how it works, and there will opportunity to experience some of this in a group setting.

The second seminar will be on Saturday afternoon, “**Breaking strongholds that inhibit healing**”, will cover how Sozo can release breakthrough for healing where conditions are connected with the occult, generational issues, curses, lies, wounds and when apparent healing is only temporary.

Sasha Caridia from Heaven in Healthcare, Eastgate Church, Kent

Sasha is a Paramedic Practitioner working in a busy GP Practice in Kent. She has the wonderful privilege of leading the Healing Centre at Eastgate. It was whilst working on the streets as a Paramedic that Sasha started to wonder what it would look like if the reality of the Presence of God, His love and power, was released into our everyday working life and spheres of influence. This question has led her in a never ending adventure of discovering what it looks like to live in the expectation of Heaven showing up wherever we go.

Richard Gamble from The Eternal Wall of Answered Prayer

The Eternal Wall – Richard says - This project simply put is impossible. But from the day we started, we have repeatedly seen the favour of God. We have a rich catalogue of answered prayers on his guidance & support throughout the rollercoaster journey. We have some mountains ahead but are thankful for the many mountains behind us, as we press on to declare his good deeds to the nation.

Founder Richard Gamble first had the idea for Eternal Wall of Answered Prayer when he was carrying a cross around Leicestershire at Easter time to lead people to think about Jesus. He prayed over the idea for ten years until **2014** when he felt the nudge to begin acting upon it.

Richard will be leading a seminar on Friday afternoon entitled “Proclaim the Deeds of the Lord” where he will also encourage and enthuse us by sharing answered prayers.

Paul Clift from Healing Rooms Europe

Paul and Eve - were recognised as apostolic ministers by the International Association of Healing Rooms (IAHR) and ordained in 2008. They have been appointed as Divisional Directors for IAHR looking after 13 nations in Europe including the United Kingdom. They have run training courses and planted Healing Rooms in Croatia, Czech Republic, Latvia, Macedonia, Moldova, Siberia and Spain. Paul has spoken at several conferences in France and England.

Paul will be leading a seminar on Saturday afternoon entitled “**I am who You say I am**”. He will be looking at what a disciple is both as an individual and how this should govern our life together.

The Encounter Room

Dawn will be acting as facilitator for the “Encounter” room. Dawn says, “I hope you are coming to the conference. If you are then please pop in to the Encounter room – open daily from about 12.30pm-6.30pm. It is a creative space where you can chill out with Jesus. You could pop in for 5 minutes, 50 minutes or longer – it’s up to you!”

In the room you will find:-

- ❖ Communion elements
- ❖ Post it notes for sharing prophetic words on a flip-chart
- ❖ Pictures
- ❖ Scriptures
- ❖ Cushions (and chairs)
- ❖ Paper and pencils if you would like to be creative
- ❖ And lots, lots more!

Above all, in the business of conference, the Encounter Room offers a space to be alone with Father God.

Book brief for 'Encounter' – March 2023 edition

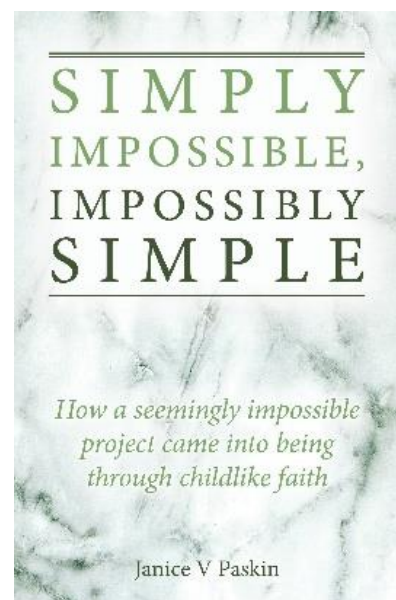

Back in 2009, my husband Norman and I set off on a God inspired journey to establish a Care Centre which would provide free, short-term accommodation for adults in the UK who were struggling with the pressure and stresses of life and needed a break in order to survive. The centre subsequently became a registered charity called *The Well Head Centre* on Manor Lane in Bourne. Along the way I kept several journals recording the day-to-day challenges, joys, frustrations, heartaches, miracles, breakthroughs and life-changing stories which now form the basis of this book.

“SIMPLY IMPOSSIBLE, IMPOSSIBLY SIMPLE will inspire the reader to step out in faith to pursue their dream – however large or small it may be. In this book, Janice V Paskin vividly describes how her own dream to establish a safe haven for people to come and receive unconditional love and healing became a reality.”

“Janice open-heartedly shares with the reader her experience of obeying God’s call to create a place for the healing of hurting and broken lives. She is captivatingly honest about her tears and tribulations as well as the waves of hope and extraordinary breakthrough that propelled her onwards when it was tempting to give up.”
