# **Our Story from the new South West Regional Directors, Sylvia and Ralph Barnes**

In September 1996 we were invited by a Christian friend to attend a Full Gospel Businessmen's (FGB) dinner in a pub where Dr Richard Kent a Christian GP gave a message that we were all going to die. It was clear that we should choose now to find ourselves in heaven or face the alternative of being in hell. After the talk we said the prayer of salvation and gave our lives to the Lord. The FGB leaders prayed for us and prophesied that we would have a gift of healing.

We attended an Alpha course and became members of a New Frontiers Church. In 1998 the Lord laid it on our hearts to use Sylvia's creative background to start a ministry embracing all forms of visual and performing arts, ie music, poetry, painting, dance, mime in worship, intercession and healing. Also, with a mandate to bring the message of God's prophetic plans for Israel to the church we spent 20 years organising conferences, workshops and gatherings with speakers from around the world.

## **Prompted to do more with the gift of healing**

---

About seven years ago we were prompted to do more with the gift of healing. After attending a conference arranged by Mike and Beverly Robinson and meeting with a friend who is a Healing Rooms Director, we concluded we should join HREW and attended a training weekend in Halifax with Paul Clift.

We launched the New Forest Healing Rooms with a conference in the local community centre attended by over 150 people. About 28 people signed up for the Healing Rooms training of whom 15 are still fully committed team members, some of whom travel around 40 miles to be at every meeting PTL.

In line with John G Lake's vision our heart is to see Healing Rooms in every town. We are privileged and honoured to be invited to succeed Mike and Beverly as Regional Directors for the South West and to serve the Healing Rooms in the region. We look forward to working with others to open new venues and to see peoples' lives changed and transformed through the Lord's healing power.

# The Story to date from the Norfolk School of Prophets By Ruth and Ray Scorey, HR Directors - East Anglia Region

*Road to Emmaus; by kind permission of UMC Emmaus, Dresden*

Are you prophetic? If you are anything like we were in the beginning, you may think that the prophetic has nothing to do with you. Ray was encouraged to get into the prophetic in 2004, when he really wasn't sure it was his cup of tea. But he grew hugely when he became part of 'Heartbeat', a prophetic group in Norfolk, of which he was a member for many years. Norfolk Healing Rooms started in 2007 and Ray helped set up Norfolk School of Prophets (NSOP) in May 2014; the two have been closely linked over the last seven years.

When I first met Ray in 2012, he taught me how to read what God was saying from the things around me; 'What does that flooded field mean?' he would say speeding along the motorway. I would reply, bemused and nonplussed, 'that it's been raining a lot...?!' I may have been receiving words and pictures from the Lord for years, but this approach required me to be much more intentional about the prophetic process.

---

## So, are you prophetic?

---

So, are you prophetic? I strongly suspect that you are, because every single Healing Rooms team member uses gifts of spiritual hearing and words of declaration when ministering to their guests. The Healing Rooms model teaches us to tap into what Jesus is saying as He intercedes to the Father on behalf of a person and then, with love and compassion, to speak words of healing over their life. Jesus did nothing without His father doing it first and we follow suit. Elijah and Ezekiel clearly heard God, speaking various words of warning and encouragement and activating God's will through a number of prophetic actions (think of Elijah overlaying the widow's son). We don't dish out judgements and warnings like those guys did; we are not Old Testament prophets and few of us have the Office of a Prophet. But we are new creations, with Holy Spirit flowing out from within us, so we speak words of love and encouragement and we too perform prophetic acts in our Healing Rooms (the actions of anointing with oil and the laying on of hands both confer God's love and healing).

Recently, Ray and I have been taking NSOP to our church, via a sermon series on Zoom called 'How to hear God in order to Bless others'. The course has taken the congregation through the basics of how God speaks to us, how to discern between God's and other voices, the different ways to feed our souls and build a heavenly treasure chest within us, how to use our Godly imagination and how to deal with success and failure and the culture of honour. Each week, we have done prophetic

activations to raise people's spiritual awareness. Each week we have built on the previous session. The results are awesome! We are seeing people wake up to God within them and get excited about something they'd initially thought had nothing to do with them!

We love doing taster sessions. We've had the pleasure of teaching the basics of the prophetic to Healing Rooms in Cardiff, Swanage, Milton Keynes, Edinburgh, Malta and, recently on Zoom, to Flitwick and Romania. But, the prophetic is a process and we are all about maturing. Over the years, we have covered: how to build a prophetic word; shaping prophetic identity and destiny; dream interpretation; spiritual warfare; healing the land; the five-fold ministry; how to capture every thought; ascension, anointing and authority; how to hear God and go deeper by removing blockages; going from visitation to abiding; and prophetic dance, art, mapping, healing, poetry and intercession. Emma Stark, Chris Wren James (her book, *Beyond Prophetic*, is a seminal work), Daniel Black, Alaric and Jane Hunt, Rod and Michelle Smith and John and Heather Alcock have been some of our honoured speakers.

## **We are all vital pieces of a much larger puzzle**

---

Covid has forced us to use Zoom, which in turn has changed NSOP into a much more corporate affair, with everyone having a voice through Zoom Chat; we are all vital pieces of a much larger puzzle. And Zoom means that we now have regular members from other far-flung counties, many of them from Healing Rooms. We have discovered that we are an interceding school of prophets and are finding [www.praywithgod.com](http://www.praywithgod.com) an awesome way to 'fly' with Holy Spirit, like a flock of geese, enabling our prophetic edge to cut through powers and principalities. Our members are visibly growing up before our eyes and it's a pleasure to see how the school is enabling the members to grow in confidence.

NSOP meets every third Saturday of the Month (except August and December), currently on Zoom, 10.30am-1pm. To apply for free membership or to book a taster prophetic session, write to Ray and Ruth at [norfolk@healingrooms.org.uk](mailto:norfolk@healingrooms.org.uk).

## HREW and IAHM

HREW are engaging in a year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella. The first of these nights was on the 12<sup>th</sup> September 2020, the Miracles & Healings nights are broadcast via YouTube and the individual prayer via Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer.

## Report from 13<sup>th</sup> March 2021

The main speaker on the 13<sup>th</sup> March was Michael Koulianos. Michael is an evangelist, author and co-host of Jesus Image's TV program "Living for Jesus", and was born in Tarpon Springs, Florida. He gave his heart to Jesus Christ at the age of 12. After a series of supernatural events, in October of 2007, Michael's life was forever changed in a church in Westport, CT. It was here that the power of God overwhelmed him like it did when he was a twelve-year-old. Now Michael has one desire to love Jesus and introduce Him to as many people as possible. He believes that Jesus is the only answer to all our needs. His life's call is to be used of God to reveal His Son to the world by the Power of the Holy Spirit.

This would eventually lead to the founding of Jesus Image, the evangelistic ministry of the Koulianos family. Jesus Image is focused on winning cities, nations, and the world with the Gospel of Jesus Christ. Michael now travels the world ministering the Good News of Jesus Christ to the lost, praying for the sick and teaching the Word of God. The Lord is confirming His word with notable signs following. Thousands have come to Jesus and multitudes have been healed by the Power of God. Both Michael and Jessica frequently appear on worldwide television. He is also the author of the life-changing book – The Jesus Book

On the 13<sup>th</sup> March 2021 HREW had a team of 43 prayer ministers, this enabled us to have 11 prayer rooms. The evening was very busy, starting with a time of “soaking worship” with live music. When we finished there had been 30 persons wanting prayer and these came from as far afield as the USA, Canada, Australia, Western Europe, Doha, N Ireland and the UK. The prayer rooms were opened at 6:30pm and closed at 8:30pm. At the close the team gave many testimonies of God's healing and some of these are shown below. A number of the visitors returned to the main room where they gave thanks for the prayers received and gratitude for the prayer ministers involved. Altogether a very blessed and encouraging evening.

If you were not able to see the previous Miracles & Healings Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights, select by date.**

## **Testimonies from the 13<sup>th</sup> March Miracles & Healings Night**

These testimonies are a sample from some of the healings that took place on the IAHM Miracles & Healings Night and were reported by the prayer teams. Individual prayer takes place via breakout rooms in Zoom.

- A lady from Australia, the only Christian in her family. She asked for prayer for her family to become Christians. Also prayer for her Mum with eye problems and her brother-in-law with a knee problem. When we had finished praying, her face was glowing with the Holy Spirit and it was wonderful to see.
- A lady from Nepal but now living in the UK. She asked us to pray for healing for her 5 year old daughter, who had curvature of the spine. She has had an operation and wears a brace. Mum prays and reads the Bible every day with her daughter. We led mum in a prayer of repentance for generational curses and commanded any powers of darkness from the past to leave her and the family. She said 'Amen'. Then we invited mum to put her hands on her daughters back and prayed for the spirit of scoliosis to go and chains to be broken. We lifted trauma from birth off of the daughter and prayed for healing and release from all paralysis and pain. The little 5 year old could move her neck more easily, and bend her back and could sit up straighter than before! Praise the Lord. She said she felt improvement, stiffness had gone. The little girl smiled and thanked Jesus for her healing - We encouraged mum to thank the Lord Jesus every day for the healing. She has been before, feels there is progress and is planning to come again next time.
- A lady from France who is running a 'Life Skills' business. She said this is a Christian Ministry and she wanted prayer for wisdom and guidance in dealing with clients. We had a picture of a compass and scripture Prov. 3: 5-6 and felt that the Lord will use His Word as a 'road map' as she deals with people. She was encouraged.
- A Lady from Indiana US who has had 90% healing from a skin condition but wants the other 10%, plus being free from allergic reactions and problems with her teeth and gums. We felt that she needed to 'bathe in the river flowing from the throne room' as in Ezl. 47 and try to imagine doing this. That all these ailments were connected. We saw a picture of her with a 'chain of gold' around her neck giving her dignity and believe a 'mantle of protection was placed around her shoulders'. She is expectant for her healing and will let us know of developments.
- We prayed for a lady from the USA, for healing relating to lyme disease and mobility right hip side. She said she could feel waves of oil gently coming over her and through her hip.

All of the HREW testimonies are automatically sent to EWOAP and HREW are developing closer links with this organisation.

We hear a lot about the importance of praying, even when we feel no one is listening, but how often do we actually stop to remember the times prayers have been answered?

We've recently joined a brand new platform where we want to make hope visible - we've started our own podcast! You can find our Eternal Wall: Stories of Answered Prayer Podcast on [Spotify](#) and [iTunes](#) now.

Get a burst of hope with a new answered prayer every day, and be encouraged that the God who answers is with you in every situation. Be sure to share it with your family and friends this Christmas, and together let's make hope visible.

### Son healed through younger brother's prayers

10th Mar 2021

#### *Answered Prayer #15599*

My 3 year old son fell off a treehouse on a day out in September 2020 and fractured his elbow. It was x-rayed twice at A&E and put into a temporary cast until our appointment with the orthopaedic specialist at the fracture clinic the following week, where a permanent cast would be applied.

As a family, we prayed for our son's elbow and our 7 year old son in particular prayed every day that Jesus would heal his brother's injury.

On the day of the appointment, the temporary cast was taken off and my son's elbow was x-rayed again, several times from numerous angles because it appeared like the fracture had completely disappeared. The specialist said there was no need to put a permanent cast on and that his elbow was fine and no fracture could be seen.

Our 7 year-old son is convinced that God heard his prayer and healed his brother and regularly recalls this story as evidence that our God is indeed a healer!
