“The Spirit of the Sovereign LORD is on me, because the Lord has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners.”

It's time to start a **Red Revolution!**

Why does the devil see red? Is it not because the colour of the atonement is red? Jesus' blood is exactly the same colour as any human blood. It is red. Blood red! Unique red Blood. Nothing else like it except that it's red! God has covered everything. He's got you covered. Atonement means a covering. Every aspect of our redemption has been covered by Jesus. Everything poured out so that everything can be poured into you and me! "It is finished." Jesus didn't say it is unfinished! The Life of the Son of God was poured out to redeem the world. Almighty God is in every tiniest drop of Jesus' Blood and when we share communion together we're covering ourselves with His Blood. Alive Blood. Warm Blood. Powerful Blood. Thick Blood. No wonder the meaning of atonement is a covering. God the Father can't see through it!

We're apt to look at the Blood of Jesus as a magic formula instead of it being the very Life of the Son of God poured out for men so that "His Life" might flow through our veins. It is His life that comes into us to "cleanse us from all sin." Has not heaven's Blood bank been completely emptied? Every drop of Jesus' Blood has been dispensed by Jesus, heaven's chief dispenser! Heaven's currency isn't silver or gold. It is red! No wonder the devil sees red! There's healing in The Blood, that's why the ministry of "Healing the sick," during, or after, sharing communion together is the trigger point for Miracle Wonder Working Power!

The application of The Blood of Jesus seems to me to have gone out of fashion these days, just like the traditional Gospel song "There's power, power, wonder working power in the blood." If we want to be Workers of Miracles then we'd better start a **red revolution!**

Healing Through the Creative Arts

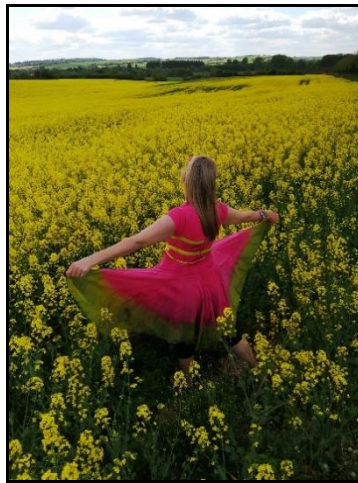

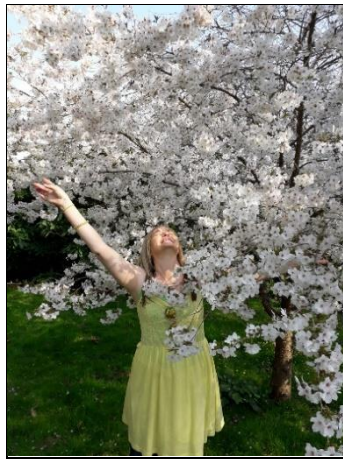

Continuing our series looking at healing through the Creative Arts it is interesting to try and fathom one of the Lord's great mysteries!

<p style="text-align: center;">Healing Through the Creative Arts Part Three Movement and Dance in Worship (No.2 Testimony)</p>
--

Heather's story.....

Heather felt the call to dance some 20 years ago. Not long after she was saved the Lord began to give her dreams and visions regarding dance. With no previous experience to

draw upon she felt inadequate, fearful of man's acceptance and of being misunderstood in the normal framework of church for what He was calling her to.

The Lord impressed on Heather that dance is an instrument of blessing which brings healing, restoration and the truth of the promises in His word. It brings scripture to life, is a tool in biblical storytelling and has a prophetic outworking.

As a child, although on the surface Heather had what would seem to the world to be a normal family unit, she felt only conditional love, no sense of belonging or security, felt isolated and alone. She lived in a toxic environment where her spirit was constantly being wounded and crushed by negative words of abuse. Even from an early age this caused her to have an arthritic condition.

Proverbs 16 v 24 "gracious words are a honeycomb sweet to the soul and healing to the bones"

Proverbs 17 v 22 "A cheerful heart is good medicine, but a crushed spirit dries up the bones"

School life was hell for Heather because she found learning difficult. Ridiculed, mocked, bullied and an inability to cope with the 3R's (reading, writing and arithmetic) led Heather to have a lack of self-confidence and an overwhelming sense of worthlessness.

It was not until she was 33 when she came to know the Lord that her healing and learning journey began. As a child Heather found some release from her pain through the art of drawing with her *'crayons and little tin of paints.'* It was her way of escaping the reality that she found herself in.

Joel 2 v 25 "I will repay to you the years the locusts have eaten"

When Heather saw two separate dance presentations at her church it touched her deeply and had the effect of making her feel like all her previous brokenness was being poured out before the Lord. For the first time she was having such a powerful encounter with the Father and began to experience His unconditional love and deep inner healing.

Isaiah 61 v 1-4 "He has sent me to bind up the broken-hearted to proclaim freedom for the captives" "beauty instead of ashes" "a garment of praise instead of a spirit of despair"

Her journey into movement and dance had begun. An introduction to Sacred Dance Ministries International run by Paula and Bill Douthett taught Heather, in her vulnerability, to engage with scripture through movement and to come into full relationship with the Lord. Dance and movement in worship is Heather's prayer language which brings her into her full identity as a child of God.

Over the years Heather's passion for dance has led her to attend many dance conferences and is a local co-ordinator of Christian Dance Fellowship International. She has organised several workshops on how to interpret the scriptures through gesture and movement. Her desire is to teach people how to come into a newfound relationship with Father and find their healing through movement in worship. She currently runs a team of untrained believers called *'Healing Rivers Dance Ministries.'* Heather has a heart to see lives healed, transformed and delivered, to see people come into the freedom that only He can give and to see the next generation serve the King through the art of creative expression.

We have learned then that the ability to move and dance in worship is not confined to the trained. Do you remember the first time you dared to put out your hand in worship to the Lord or maybe you had the courage to raise your arm? Well, what happened? That's how we can start to engage with God in our heart. It is how we can begin to move away from self-consciousness, man's approval and develop the freedom to move as God leads. We are all precious to Abba Father, He loves it when we reach up to Him.

1 Tim 2 v 8 "I want men everywhere to lift up holy hands in prayer"

**Remember: God doesn't call the equipped, He equips the called.
Amen!**

West Nottingham Healing Rooms Training

On the weekend of 1st /2nd July, a newly formed group met at a local Nottingham Church with Veronica Mee [HREW Director] and Sue Davies [Regional Director HREW].

Our program was 5:30 - 8:30pm Friday evening and 9:30 - 4:00pm Saturday. The weekend consisted of several different types of input, all of which were fantastic. To mention a few: background and vision of HR, roadblocks to healing, the authority we walk in as believers, dealing with disappointment, accountability, Healing Rooms core values and prophetic activations. The teaching was first class, very biblically based and both Veronica and Sue were excellent presenters. The time went so quickly. The West Nottingham Healing Rooms will open in September 2022. Between now and then, we are initially meeting for a BBQ to get

to know each other more and then we will meet for some prayer times leading up to the opening of the new rooms. Below are just a few comments from people who attended the training.

“Veronica and Sue are excellent trainers, communicators and spiritual mentors. They presented the Healing Rooms Training Course in a spirit of great humility, faith and love. Thank you to them both.”

“It was a fantastic 24 hours of input. My faith was expanded and God spoke to me in this 24 hours. I am so excited to be part of a Healing Rooms team.”

“As well as learning a very useful model of how to pray for someone, the trainers also imparted their enthusiasm for doing so. I found all the training sessions to be enjoyable as well as informative and it was a really good start for the newly formed West Nottingham Healing Rooms team.”

“I attended the Healing Rooms training day in Nottingham. For me it was so encouraging to listen to the speakers use the word of God on healing with what I align with, that healing is in the atonement. The practice sessions were very helpful and informative. I left feeling very encouraged and am excited to see God move in the West Nottingham Healing Rooms.”

“The Healing Rooms Conference was both prayerfully planned and sensitively delivered. It felt such a safe environment to learn about how to listen to people and pray for them, also activating what we had been taught by actually doing it. This made the whole process real and grounded. Huge thanks to the amazing women of God who led us so humbly and who inspired me personally to want to be involved in the Healing Rooms and see our Father God change lives. It was a wonderful day, especially to see my Indian friend healed so simply and powerfully. She will never forget what happened and as soon as we came home she rang round all her family to tell them the good news. Thank you again for all you taught us and the love you shared.”

REGIONAL TESTIMONIES

NORTHAMPTON HEALING ROOMS MAY 2022

Our meeting began as usual with Communion and praise. We then reviewed those coming for ministry and waited to see if our Dear Lord had anything to say. He usually did.

On this occasion we were to meet a family of three: mum, dad and an 11 year old boy who was autistic and could not speak, they had been before. The Lord gave us one message: “be quiet, say nothing”!!!!!!

At the appropriate time 3 of us went in to meet our guests, leaving 5 who were praying as a back up team. We welcomed the family and mum then thanked us very much for our prayers last time. Among other things she had asked for prayer for herself for a bad headache which she had felt for some time. Following our prayers she had no headache, We rejoiced and thanked our Dear Lord.

Normally at this stage we would have asked what they had come for (if we had not previously been notified). However, in view of the message we simply said that we were going to have a time of quiet. This we did and after a short wait one of our team began singing a song given by God:

My God is singing a song over you (x2)
A song of His love and a song of His peace (x2)

This was sung to a simple tune with a strong rhythm.

When this was repeated the boy started tapping to the rhythm. The next time he joined in with the words. Mum screamed and said - "He has never spoken ever." Clearly a miracle, and we believe the start of something marvellous.

One of the back up prayer team pushed a piece of paper under the door which said: Holy Spirit. So we prayed over each family member that they would receive the Holy Spirit.

God is Moving!

IAHM Miracles & Healings Nights

Following the success of the series of Miracles & Healings Nights that started in September 2020 HREW are pleased that we have engaged in a third year-long series of Miracles and healing nights with the International Association of Healing Ministries (IAHM) where we are providing monthly online ministry under their umbrella. The new season of Miracles & Healing Nights begins 10th September 2022.

Remember, your prayers are important. Please note the new season of Miracles & Healings Nights, ask for God's sovereignty on the events, that there would be increased numbers of guests and that much blessing would flow.

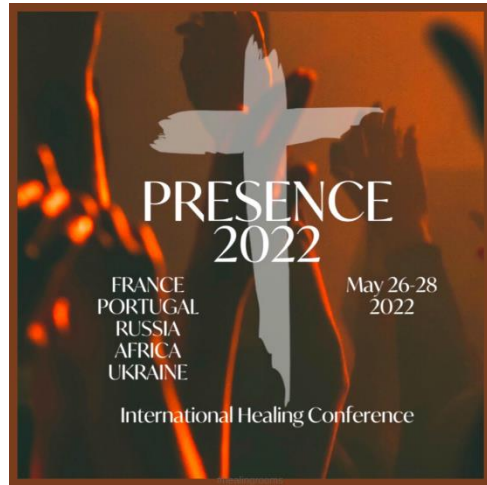

If you were not able to see the latest or previous Miracles & Healings Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights, select by date.**

Presence Healing Conference 2022

Here is one more of our team member experiences:

Firstly I always feel what an incredible privilege it is to be able to minister as part of a team on Presence Conferences. As we put ourselves before Holy Spirit to be used as a vessel, there is an air of spiritual excitement as you partner with Holy Spirit for the duration. I always know that I will be in exactly the correct team and that the correct people will be sent to our Prayer Room on Zoom. God is the Master Planner!

I always love the fact that it is a precious opportunity to minister alongside other members of our Healing Rooms family. We spend time getting to know each other during the brief gaps between people entering the Prayer Room and also usually have the opportunity to pray for each other or any needs. It is always a great experience to be then put with each other again at other Conferences, knowing how the other times have been an awesome experience.

It is truly a unique experience. I would truly encourage anyone who hasn't ministered to think about taking part when it resumes in September.

The people come from all over the world. Again a beautiful connection with our brothers and sisters in Christ. To pray for them is an extremely precious honour and to see them being touched by Holy Spirit is truly amazing. No barriers through Zoom! just "the Body working in Love" as in Ephesians 4 v 16.

The technical side is amply managed by HQ and we all re-join back as 1 team to testify to the Goodness of God.

See you all in September 2022!

More Testimonies from Presence 2022

We prayed for a lady who, when she first came into the room, was complaining that she couldn't hear what was being said to her and was very vexed and troubled. She said she had pains in her neck and head and dizziness, balance and her right eye wasn't right either as well as pains in her legs and hips. After talking she stated that she'd received frequency treatment in two foreign countries. We asked her to repent of the frequency treatment and broke off any witchcraft curses, then we started to pray for her healing. The pains in her neck and head reduced from a 4 to a 1, then we prayed for the pains in her leg and hips to go also. She went away a different woman from the one who came in. She had much more Peace and she said God was clearing her spirit also.

Our first lady took us two hours to minister to. We didn't think we were getting anywhere then after about an hour the tide started to change. Lots of tragedies in her

family including her mother dying of carbon monoxide poisoning and other early deaths to suicide etc. Lots of grief in her but after an hour of crying God was doing a deep healing in her. Then she stated that she suffers from fibromyalgia and chronic fatigue syndrome so we started to pray for that and in the end she was receiving and laughing and completely transformed. We had a picture about walking into a new forest with sunshine as a new start for her. Amazing God!!!

A lady who had sinus problems. After some discerning we cut off freemasonry ties over her and stood with her to cover her to receive full healing. She was grateful for our prayers and standing with her. We also prayed for her mum who was having a CT scan for severe headaches. That she would know the prayers of the saints.

She said it felt like an angel was in the room

We prayed for a lady who needed wisdom over a personal caring situation she had been in for 6 months. It was time to enter the next phase and for an exit door from it to be released. We prayed for her needs and she received much freedom. She had seen a rope around her neck and it got broken, it was a spirit of freemasonry. She said it felt like an angel was in the room helping to release the rope and she felt freedom. She had an amazing deliverance through the prayers. We prayed for freedom and focussed on her next phase. She was very appreciative of our support and prayers into her personal situation.

...filled with the joy of the Lord

We prayed for a lady who, after she got married, started having demonic attacks at night. She had been taken to a witchdoctor when she was younger. Recently, three family members died, all on her mother's side of the family. Curses were broken off. She started to laugh. As we declared God's love and assurance to her she was more and more filled with the joy of the Lord.

A Christian gentleman requested prayer for his left wrist, arm and forehead having suffered pain following an accident 5 years previously. We released him from stress and trauma and replaced it with peace. He was given Psalm 1. Psalm 103:1-5 was proclaimed over him, for his body to be strengthened and knit together. God is a God of the 100%. He said he had no pain now.

...she was a 'Princess' in God's eyes

We prayed for a lady who was suffering from anxiety and tunnel vision. She felt abandoned by God. We discerned that these were linked and had the word 'rejection'. She said she had been rejected by her natural father. Also hurt by various churches and seemed to have some condemnation. Been away from church for a while. Rom 8 was declared over her and she was told she was a 'Princess' in God's eyes! Eph 1:5. She could be seen wrapped in a warm cloth! She was advised to speak HIS WORD over herself which cleanses. Spirit of fear and confusion broken off. Spoke love and

peace into her. She was asked to put her hand on her body where she felt hurt. She put it over her heart. She was asked to now give it to Jesus. She did this. Then was asked 'what is Jesus giving you in return?' She replied, 'a crown with colourful stones!' We said this confirms you are a Princess! She felt great!

Eternal Wall Testimony of the Month

**"I cannot fully express the joy when I
heard the baby crying next door"**

8th July 2022

Answered Prayer #17572

30 years ago my wife was pregnant with our fourth child. The labour started, all things were normal and we went into hospital. Whilst at the hospital the water's broke and the umbilical cord came out first (prolapsed). As a result my wife had to be taken for an emergency C-section. We had prayed before the labour and throughout the pregnancy, but during that time we were terrified because we knew the baby might die and the nurses and doctors were saying things like "we can't find the heartbeat" and everybody, although professional, was obviously highly concerned. I was taken into one room and my wife was taken into the surgery area but I was next door praying and asking the Lord to bless us. I cannot fully express the joy when I heard my baby crying next door and I just burst into tears. God is so good.

The HREW Website

If you have items of interest or photographs that you would like on your profile page please contact Brian Chamberlain: brian.chamberlain@healingrooms.org.uk

As you know each Healing Rooms location has it's own profile pages attached to the main HREW website and these are there to hold key details of the location address, opening times and contact telephone numbers etc. plus any other information, latest news etc that you want the public to know about you.

For your information we check weekly the activity on the Website and this shows that we have almost 300 visitors to the site per week, this is steadily growing as other publicity initiatives come on stream. What is particularly important to yourselves is that the most visited page is "Healing Rooms Near You". What we read into this is that people are searching for healing in their local areas.

Hence it is important that what these visitors read about your local Healing Rooms is current and accurate.

SUMMER' S MANTLE

*Psalm 100:5 - "For God is sheer beauty, all generous in love, loyal always and ever."
[MSG]*

I have always been fascinated by the beauty of trees. In my painting [oils on canvas], I have tried to express my love of God's creation.

There is a beautiful poem written by American writer and poet 1886 to 1918 Joyce Kilmer it is called "Trees" and some of my favourite lines in it are: "A tree that looks at God all day and lifts her leafy arms to pray... a tree that may in summer wear a nest of robins in her hair."

Trees are mentioned many times in the Scriptures... Revelation 22:2 "...down the middle of the great street of the city. On each

side of the river stood the tree of life bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations." (NIV)

Thank you Lord... it is such sheer joy to paint Your creation... the beauty and amazing colours found in the trees, the flowers, the skies in Your wonderful world. Amen.
