# A Message from our Directors

Hi Everyone

We wanted to thank you so much for your support and prayers over the interesting times we have all been in during 2021. We have all experienced a steep learning curve and it has proved our endurance as we have embraced alternative ways to minister and bring the Lords healing and restoration around the country and also around the world!

Our inability to continue face to face engagement through Healing Rooms regular sessions forced us to adopt electronic means, which we may well have left on the 'back burner' for years! Hence the birth of Zoom Healing Rooms which around twenty Healing Rooms have been running successfully. The use of technology to connect us with IAHM (International Association of Healing Ministries), based in Switzerland, has enabled us to have approaching eighteen months of monthly Miracles and Healings events. In these we have had the privilege of not only partnering with IAHM and BSSM alumni (Bethel School of Supernatural Ministry) but also, of course many Healing Rooms around England and Wales who have jumped onto Team and ministered to people from literally around the world. We just never saw that coming!

The launch of an HREW Prayer Line in May 2020 operating six days a week has now expanded to embrace a larger team with members from Congleton, Enfield, Poole, Norfolk, Stowmarket, Talke and New Forest Healing Rooms. Help and support from UCB Radio Prayerline has been invaluable and has given us such a God anointed connection.

Healing Rooms around the nation are starting to open up and are planning to re-launch face to face whilst many are expanding to continue the online HR as well. Please refer to the HREW Website for detailed info for an HR near to you.

We are so thankful that signs of 'normality' are beginning to return and we are expectant for 2022 that there will be a greater engagement and accessibility for those desiring a healing touch from our amazing Heavenly Father.

Thank you again

***David and Veronica Mee, HREW National Directors***

## Harnhill Exploratory Visit

The door hinges must have been well and truly oiled, well in advance of our recent visit to the Harnhill Centre for Christian Healing in Cirencester! The Harnhill door very sweetly swung open for us when Beverley and I first met it's director, Kate Picot at an online CHUK meeting. We knew it click click at first sight! There was something very special in the air at this beautiful country house. The presence of God! We met with the Rev Kate to explore if there are any ways of learning more about the healing ministry together, and how we might possibly become partners.

Building bridges between HREW and Harnhill was the objective. The first building block has been cemented and laid in place and it now remains to see where the Holy Spirit is going with this.

Who are Harnhill? The Harnhill Centre of Healing provides resources for both churches and individuals. Around 8,000 people visit the Centre each year for conferences, courses or just to be still and enjoy the presence of God. We were very deeply impressed by the sense of Peace throughout this huge country mansion. It wasn't until our Harnhill visit that we realised how busy we had been which posed the question "Have we been about His business or have we been about our busyness?" A bit of both we think. Psalm 46V10 immediately came to mind. "Be still and know I am God." Be still means to cease from frantic activity! How are you doing? The Word of God always is extremely proficient at showing us exactly what we needed!

Be still!

### **GETTING ON TOP OF SICKNESS**

Yes, I do think your returning aches and pains problem is demonic! Romans 10 V9. Believing in your heart and confessing with your mouth that Jesus is Lord.....you will be saved. One of the ways faith and healing "Comes" is believing in the heart and 'confessing' His Word on healing with our own mouth. Every time we open our mouth and confess His Word by faith there is always opposition. Often in many different, and subtle ways. Satan always opposes the spoken Word of God because he wants to cut off the Glory due to Jesus for your healing and for mine.

I've had many dreams of just this happening, namely with my arthritic shoulders being healed. Every time I declared the Word of God on healing the pain increased and increased! Demons were saying to me " Don't waste your time, what you're doing is pointless. It won't work." A lying and deceiving spirit at work here. Because His Word on healing had been made flesh in me, established and rooted in my heart, [it was only one Word at the time] I was therefore 'enabled' to press on, and on, until the manifestation of healing came.

---

**Greater is He that's in me than he that's in the world**

---

The Word in my heart that I spoke out loud was Isaiah 53 V5. Even so the pain kept getting worse until the Word of God that I had never associated with healing popped into my mind. "Greater is He that's in me than he that's in the world." After I thought

about that for some time, trying to work out what it had to do with healing, the following declaration, surprisingly came out of my mouth! “Greater is He that’s in me than the arthritis in my shoulders.” A short time after that declaration, I sensed I was being lifted up above the arthritis - which I was! I then saw arthritis from a highly elevated position [reigning with Christ in heavenly places?] I think so! From that highly elevated viewpoint the arthritis in my shoulders looked very, very tiny! The next morning when I woke up I was FREE from arthritis and ALL pain!

The lesson learned ‘first hand’ here is Satan and his cohorts become rattled and stirred up when we declare His Word with our own mouth the proper way. By faith! During my night time battles I had no idea if I was declaring His Word by faith or not!! All I knew was that I got into demonic hot water every time I did until the breakthrough came. The battle was clearly raging because Satan did not want more of the Kingdom of God to be established in me! He most definitely failed to cut off the glory due to the King of Heaven!

---

## Don’t give up!

---

Satan always opposes the Word of God when we speak it out loud, especially when we are recovering! He threw everything at me to try and shut me up. It was only the Holy Spirit that kept saying “Don’t give up. Things will get worse before they get better. Don’t give up.” The breakthrough for you may not come until you’re at your wits end and if that’s you the breakthrough is about to come! “Don’t give up.”

In this story, deliverance had taken place but the evil spirit was not easily defeated. He wandered around and around watching for a convenient moment to return to the house that had previously been swept clean, but not filled. This ‘demon person’ brought with him seven other ‘demon persons’, seven more evil spirits worse than himself! The clear call from the ‘Lion of the tribe of Judah’ to us, and to those we minister deliverance and healing to is to “Be Alert!”

### Obituary

It’s with great sadness that we’re reporting that Pat Williams died peacefully on Saturday night 27th November in hospital of Covid. Her daughter Sarah was at her side. A real faithful warrior for Jesus, and as faithful as the day is long! Pat helped to start Malta Healing Rooms, she was a faithful member of HRs Costa Coffee

Dorchester too. Pat was a real treasure, a real encourager, prophetic and a lovely person, she will be sorely missed.

## **God is Moving!**

### **IAHM Miracles & Healings Nights**

Following the success of the series of Miracles & Healings Nights that started in September 2020 HREW are pleased to announce that we have engaged in a second year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella.

### **Miracles & Healings Night of 13<sup>th</sup> November 2021**

The main speaker for the event was Izabella Bodini Waters. Iza is a missionary born in Brazil. Her heart's desire is to see a great mission movement pouring out of her country. In 2011, she left everything behind, including her job as physiotherapist for which she has a degree, and moved to Hawaii to do her missions school at the YWAM base in Kona. For 8 years, she was living there, as well as travelling the world and training young people in missions. In January 2018, she moved back to Brazil to start leading a mission school in partnership with the Dunamis Movement. For 3 years she helped pioneer this movement's mission work. Recently she and her husband James - a young entrepreneur who also led a worship and prayer movement in the UK - moved to the UK and Izabella became a mother. Her heart is to see revival and a great move of God in Europe.

This was the third night of the new season. Healing Rooms England & Wales (HREW) had a team of 28 prayer ministers, which were made up into 7 prayer rooms of three prayer ministers and one intercessor per room. At the close there had been 21 persons wanting prayer and these came from as far afield as the USA, Germany, Canada, Lebanon, Tanzania, Luxembourg and the UK. The prayer rooms were opened at 6:30pm and closed at 8:30pm. The guests wanting prayer came in a gentle flow throughout the evening giving ample time for the prayer ministers to pray for each of them. At the close the prayer ministers commented that it was great to be able to have an extended prayer time for each guest and how beneficial it was for the guests. The team gave many testimonies of God's healing and some of these are shown below.

### **Testimonies from the M & H Night of 13<sup>th</sup> November 2021**

- A lady brought her daughter for prayer. The daughter, in her early twenties, had autism, epilepsy and stomach disorders. She looked serious, we prayed into the conditions, the family were believers and we prayed for deliverance in Jesus name. By the time we had finished ministry which included deliverance and practical things were suggested - Timothy in 1 Tim 5 v 23 regarding diet. After we prayed she was shining and laughing and we were too. We felt that baptism would be a great step forward for her to show publicly her love for Jesus. We also had time to pray for Mum too. We prayed for physical healing of her sciatica and back pain. She talked about the gifts that she had had but didn't use at the moment. We strongly exhorted her to pick them up again in line with 2 Tim 1 v 6 and Romans 11 v 29. We had a picture of a present/gift and felt that she needed to open the box again. She was encouraged by all this.

- A lady who had chronic fatigue syndrome for 19 years even though she was a young woman. She was always cold and was wearing a hat and coat inside the home. We prayed for her and had pictures of golden leaves of healing falling on her head (Rev. 22 v 2). She said she began to feel warm inside and could sense the Holy Spirit working. We gave her Isaiah 61 and Ezekiel 10. She had a smile on her face as we said goodbye.

Glory to God for His Love and care and the privilege of partnering in ministry with each other and the Holy Spirit.

- PDB or “pretty d\*mn brilliant” is how one guest described the prayer support he was given at the Healing and Miracles night. When he came online he asked for three things that he needed prayer for. He had become completely disillusioned with the job market having tried many avenues to find employment so he was trying to make a way to a new career by using his creative talents to write, illustrate and publish books for children. He was embroiled in a very hefty four-year battle over finance with the government and was seeking compensation at the highest level. We had “the battle belongs to the Lord”. Earnest and enthusiastic to turn things around he was trying to do everything in his own strength. He was full of righteous anger over his situation. It came to light that he had been bullied as a child so we broke the memory off of him. We prayed for a breakthrough, that God would quicken the results of the action and his job prospects to him. We felt strongly that he needed to “be still and know that I am God.” that “Mary chose the best” by sitting at Jesus’ feet and that when you find yourself at a crossroads you must seek the ancient path (ie Jesus). We prayed that he would not try to do things in His own strength and that he would consider not using worldly ways to solve spiritual problems but to seek God’s wisdom over his requests and ask God for His strategy for his future. We sought the Lord for justice for him by going into the courts of heaven and asking our just Lord for a resolution. We had scriptures from James, Proverbs 2, Psalm 46 and 139, Ephesians 6 and also Jeremiah “I know the plans I have for you says the Lord” and for him to “stand still and see the salvation of your God” came strongly. At the end of the session he testified that he had been churning it all over in his mind so had not been sleeping and he realised that he needed to step back and let God be sovereign in his life and he now felt more at peace.
- A lovely lady came who unfortunately had a huge number of physical problems including tiredness, trouble walking, incontinence, swallowing difficulties, optic neuritis in left eye and was on medication for her brain as, after undergoing a lumbar puncture last year, she had been diagnosed with MS. As we waited on the Lord for guidance one of our team had a word of knowledge regarding occult activity. We asked if she knew if there had been a trigger to her symptoms and she confessed that a few years earlier after her mother died she had become mentally ill, was on anti- depressants and later spent 6 months in a secure hospital. Her problems didn’t end there as she then moved into a room in someone’s home where she experienced a number of demonic manifestations. She was so unwell she laid in bed all day, was hearing voices telling her she was going to hell, she heard ravens flying about and knocking sounds in the home. We gave her Psalm 103 and Hebrews 11 v 6 and suggested she pray around her present flat, anoint the doors and lintels and pray over the land. One of the team suggested she play worship music particularly the song “Waymaker” which she testified to liking. We asked the Lord to release her from any soul ties with her mother and prayed for the healing of memories. We had prayed God’s fire over her that he would burn away all the hurts. When asked if anything was happening or if she was feeling different she said that she was feeling heat in her chest so we continued to pray. We asked the Lord to take an axe to the root of her problems and that he would singularly cut off each of the tentacles that

were hanging onto her. We prayed Psalm 91 over her had Romans 5 v 1-5. At the second asking about how she was feeling she testified to feeling fine and her countenance had changed to that of being more peaceful and light.

- A lady asked for the healing of her baby who was born with brain damage. She was told he would not leave hospital but was determined that he should survive and now has him home. He needs medical help with breathing and feeding so is severely disabled at present. We spoke the Holy Spirit's breath of life into his lungs and words of healing and wholeness. We raised her faith levels by the fact that Jesus lives in her and she can link into His faith! We blessed her to be able to cope with this little one as well as her 5 other children. She went away with a smile on her face.
- A lady has problems in her joints, hips and ankles mainly. She had a strong faith for God to release her of these restrictions. One of us had a picture of her moving about in 'worship' - dancing? She said this is what she does. Another Psalm 133 which seemed strange in this context, but it was felt that God wanted to anoint her with the 'oil of the Holy Spirit' to flow from her head right down through her body lubricating all her joints down to the bottom of her feet! She was like Hermon and the unity aspect were all the various joints! This was spoken over her. She was asked if she felt any change in her body. To get up and start moving. She said she would not really know until she goes out walking but believes she will! Assured her of God's love for her and blessed her in her walk with him.
- A lady who is housebound with MS and Lyme disease. We needed to raise her faith as she has been in this condition for some years. We stressed Psalm 103 where Jesus heals ALL diseases. Nothing is too hard for Him but it can be a gradual process. She accepted this and that is what she would expect. Someone had the picture of a tree budding and felt this related to the start of the process of healing manifestation. Another that Jesus wants her to 'wear Him like a cloak'. Two of the team had said that she should start by moving her feet. She said this was hard for her to do but did start doing so! It was explained that Jesus asked people to take some action when he spoke healing over them i.e. "take up your bed and walk". Therefore to go forward into her healing she needs to work with Him. She understood this and looked so much happier at the end of this session.

Remember, your prayers are important. Please note the new season of Miracles & Healings Nights. Ask for God's sovereignty on the events and that there would be increased numbers of guests and that much blessing would flow.

### Eternal Wall Update!

#### We couldn't have done it without you!

Our 40 days of Crowdfunding have come to an end and thanks to 1,700 of you giving, we raised over £500,000! Praise the Lord!

We are so grateful for all of the people who have joined with us to make this campaign happen; intercessors, volunteers, encouragers, givers... you have all played a part. Together we will continue the journey to see Eternal Wall built.

A question many people are asking is; Where do we go from here? As Rich said during Friday's live webinar:

***'If God has brought us this far He will see us through to the end'.***

That is our firm belief, and we will keep moving forward. With the money we have raised from the Let's Start Building Campaign we can:

- **Carry out the archaeology on-site in preparation for construction.**
- **Start building the moulds for the Eternal Wall that will be the basis for its structure.**
- **Prepare to move to the land in Spring 2022 and start building!**

***'Let's together be the ones who decided to be bold, that decided to declare to the world the stories of the God who answers' - Richard Gamble***

Stay blessed,

#### ***Answered Prayer # 16263***

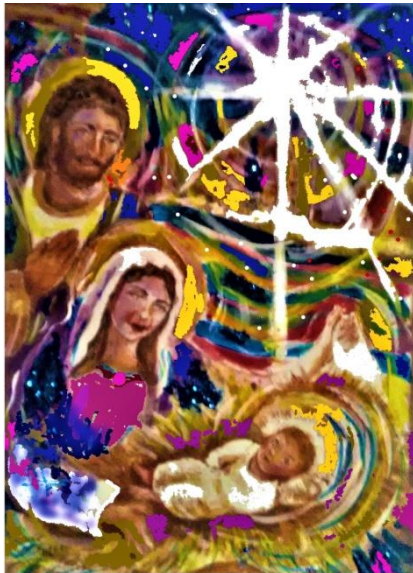

My only son cut me out of his life. This was so very painful. I had to hand him over to The Lord in prayer and ask him to heal my broken heart. God helped me realise that I should not try to contact him but to trust him completely. This I did and three years later we were

reconciled. God gave me his peace when I handed him over. Praise The Lord. I am so very grateful.

**'For to us a Child is born'**  
to us a son is given, and the  
government will be on his shoulders.  
And he will be called Wonderful  
Counsellor, Mighty God,  
Everlasting Father, Prince of Peace.

*Isaiah 9 verse 6 (NIV)*

The painting depicts the Baby Jesus, Mary and Joseph....  
Each figure in the painting represents ....the three important Christian virtues  
...which are Faith ...Hope and Love.

In the painting we can see Joseph standing behind Mary and gazing lovingly at the Child Jesus ....we notice Joseph's hands ...these are strong powerful hands....a Carpenter's hands ...that have supported Mary all the way to Bethlehem where she gives birth in the stable ....however most important of all ...these are loving, praying hands full of FAITH which have protected Mary and the Child Jesus through all the dangers that they have encountered ....and will encounter in the future.

Mary looks lovingly at the Child Jesus and her face is depicted as filled with Joyful Hope ...as she knows within her heart that Jesus is the HOPE of the world ...

The Baby Jesus looks up at the bright Star of Bethlehem in Heaven above Him knowing that God His Father has sent Him because" God so loved the world so that whosoever believes in Him shall not perish but will have everlasting life," John 3 ;16.

These three remain Faith, Hope and Love and the greatest of these is Love  
1 Corinthians 13 ; 13.

## The National Prayer Line – The latest

As you know back in August we announced the introduction of the new telephone system, Acefone, with a single number for all calls. Following the successful trialling of the new system, we announced the expansion of The National Prayer Line team. We recently held a feedback session on zoom to allow our new team members to report on any issues and problems that they may have had.

It was a great joy to hear of the enthusiastic response that the team gave us. They had been so blessed to be able to serve on The National Prayer Line and had some amazing encounters with the callers. There had been some real moves of God in these encounters and healings had been recognised in many cases. Testimonies of these healings will be published in due course.

The callers themselves generally expressed their appreciation of The National Prayer line and the time given by the prayer ministers.

Of recent months the numbers of callers have remained consistent but what appears to be changing is that whilst there are many repeat callers there are increasing numbers of new callers. Hopefully this means the message of hope that The National Prayer Line offers is reaching out to a wider audience.

We pray God's blessing on our expanded team; may they know His presence with them each time they take a call, may He inspire them with the words to say and through them bring healing. We look forward to what 2022 will bring for this service.
