Message from the Joint National Administrators

Our First full year at HREW HQ:

Wow! Another year has passed, and we are heading into 2021. Jim and I have now been Joint National Administrators for HREW since James left us in December 2019 and what a year it has been. We started the year with running shoes on as there was a lot to do. At this point I will whisper “GDPR”, as this had to be addressed, but tooth extraction may be a little more appealing! The National Conference was on the agenda and we were almost ready to go when the Pandemic hit, and everything stopped!

However, as we were planning the Conference, we developed a good working relationship with Jean-Luc Trachsel’s PA and the team at IAHM-AIMG. From that relationship came an invitation to set up and host the English-speaking prayer room for the ‘PRESENCE 2020’ (online) Conference. Receiving that invitation was at first incredibly exciting and then it was slightly terrifying, as were we going to ‘jump out of the boat’. So yes, we did, and yes, Jesus caught us - he most certainly did. The HQ team needed more ‘hands and feet’ and we needed to grow, but the Lord had it all in hand.

Two of our local Congleton volunteers, Brian and Vera offered their help with the technical side of Zoom and they have been an absolute blessing to work with. Additionally, we have had amazing support from the HR members around the UK. They have prayed for us, supported ‘PRESENCE 2020’ and have been blessed as they have seen the Lord touch, heal and deliver people during both ‘PRESENCE 2020’ and the subsequent Miracles & Healings Nights. For Jim and me it has been a pleasure to get to know so many of the wonderful HR team members. Zoom has been an amazing vehicle for us all ...

Alongside the invitation from Jean-Luc to organise and run the English-speaking prayers rooms, Veronica was woken early one morning by the Holy Spirit, sensing that she was being encouraged to talk to the HQ team about putting together a HREW National Prayer Line. It was a ‘God idea’ and following a lot of effort by the whole of the HQ team, within weeks the Prayer Line was in place.

To conclude, it has been a busy year; a year of shaking, for some an incredibly sad year, seemingly an almost dystopian year at times with empty shops and roads; a year of fear for many, a year of loneliness, and for many a year of wondering who they are and what life is all about? In the enforced solitude, for many there has been time to sit with Jesus, to listen to His voice, to hear His whisper, and to walk deeper into the love that He has for us. We walk into 2021 with the full assurance that He is with us and will never forsake us.

So, what will happen this year? Whatever comes we remain commissioned to ‘heal the sick, raise the dead, cleanse those with leprosy and cast out demons. Another year in HQ will be a year on the pathway to eternity, another year with Jesus. If your kids watched Toy Story you will know that Buzz Lightyear frequently called out: “To infinity and beyond’. Together with Jesus we will travel to ‘eternity and beyond’ and

the constant will remain the same: 'JESUS, the Alpha and Omega - the beginning and the end.' *Carole & Jim Potter*

An HREW Regional Director's Message 2021

MIRACLES. THE TRIGGER IS IN YOUR HAND!

I think we will all agree that healing is a mystery and it always will be. The more I learn about healing the less the mystery becomes a mystery! No, it does not, the mystery seems to me to become even greater! That is my encouragement to seek the Mystery Solver even more. The more I think I know about healing the less I know about healing! The more I think I know the less I know. 'Tis a conundrum! The remarkable thing about the mysteries of God is they never contradict human reason, they transcend it! The biggest mystery is that I Mike a sinner can be made into the image of Jesus Christ by the great work of His atonement in my life. Speaking in tongues is a mystery too because I have not got a clue what I'm talking about. God does, and that is the point of it! I have a strong and distinct feeling that it is time for us all to step up a level and speak in tongues more regularly if want to see the God of the Breakthrough breaking through.

Triggering off miracles.

The Christian life is never "Do, Do, Do" but "Be, Be, Be" and He Will "Do" it through You and Me. We have an EIB (Educated Idiot Box!) on our shoulders and we do I think at times just make things far too complicated!

The miracles which Jesus performed (a miracle simply means the public power of God) that transcends human reason. It is a mystery and I cannot work it out but isn't that the point of it? When I instinctively and automatically do what God wants me to do without me even knowing it God comes through like a mighty power wind. To do the right thing automatically and instinctively is where you and I unconsciously release Christ's character and power. We are instinctively and automatically doing things every day without knowing it! Breathing, living, smelling, touching, laughing, talking, walking, blinking. Q: How are we to translate that into the spiritual? Imagine or 'visualise' growing out legs, speaking to the cancer mountain, visualising God's Pickford's removal service collecting and removing the tumour! The heart is the centre of all physical life and of all the imaginations of the mind. As a man thinks in his heart so is he. Proverbs 23V7.

Some secrets won't be revealed to us.

There's something about the mystery of God that compels me to ask Him to reveal His hidden secrets to me because He said He would! I am very inquisitive you see! Things I do not know that I think I should know I want to know! However, the secret things belong to the Lord. Deuteronomy 29V29, some things are not for us to

know. I have seen Jesus do some extraordinary things but not as frequently as I would like to. I remember Hal Hill saying in his book “How to live like a King’s kid,” that we all have an EIB (Educated Idiot Box!) on our shoulders. Our minds get in the way! We’ve been awarded our clever clogs degree! Knowledge puffs up, love builds up.

The power of visualisation.

Mental assent (to agree or approve of something) is not enough. In spiritual transformation I personally go ‘to and fro’ between two lifestyles. From automatically and instinctively doing it wrong to automatically and instinctively doing it right! The more I picture and practice doing things right, in detail, then my skills improve almost as fast as or even faster than those who only physically practice it. How? Pictures are the language of the heart. When I practice correct behaviour there comes a time when I will do them automatically but it needs practice.

Breakthroughs to be triggered by us!

My prayer, when I remember to pray it is; “Lord I haven’t got a clue what I’m doing and that’s alright by me because I know you know what you’re doing. Please help me Holy Spirit to first to “Be” like Jesus so that you will “Do” the impossible through me. Acts 1V8 is worth tuning into to support what I am saying here. “Be” in Acts 1V8 comes before “Witnesses.” We are to “Be, Be, Be” so that God will “Do, Do, Doing” through us! It’s time to “Lift Up” the name of Jesus like never before and keep things simple. In Hebrews 4 God tells us to get into a Sabbath rest twenty-four hours a day, every day! Spiritually speaking, I understand “rest” to mean to stop working: stop labouring and “Start Believing”. It’s impossible for us to live the Christian life, we must let Jesus live it through us instead of ‘striving and straining’ and ‘working our works’ and busting a gut!

HREW and IAHM

HREW are engaged in a year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella. The first of these nights was on the 12th September 2020, the Miracle Nights are broadcast via YouTube and the individual prayer by Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer.

16th January 2021

The speaker was Paul Maurer. Paul is a Missionary-Evangelist with a strong prophetic gifting. When he was 16 years old his life was radically changed at the Brownsville Revival in Pensacola, FL. In 2012 the Lord was stirring Paul's heart for the nations and he pursued missionary work in Asia. After fruitful ministry the Lord opened a door to be personally mentored by Reinhard Bonnke's successor and President of Christ for all Nations - Evangelist Daniel Kolenda. Paul has been a guest on God TV, TBN, and other television networks around the world.

On the 16th of January 2021 HREW had a team of 40 prayer ministers, these were made up into 10 prayer rooms, three prayer ministers and one intercessor. The evening was very busy and even at the start there were 20 persons queuing for prayer. By the end there had been 40 persons wanting prayer and these came from as far afield as the USA, Canada, South Africa, Scandinavia, Central Europe and the UK. The prayer rooms were opened at 6:30pm and closed at 8:30pm. The technical issues of the previous sessions seem to have been resolved and we were able to admit 38 persons for prayer. At the close the team gave many testimonies of God's healing and some of these are shown below. Altogether a very blessed evening.

Testimonies from the last Miracles & Healings Night

These testimonies are a sample from some of the healings that took place on the IAHM Miracle & Healings Night and were reported by the prayer teams. This is what our prayer teams experienced, as they prayed for the people who visited our prayer rooms online on Saturday 16th January 2021.

- We saw a lady with shingles, relieved and happy.
- A lady suffering with anxiety, bleeding gums and acne, blessed and feeling God's presence.
- A man with back problems, jumping off his seat shouting not pain, no pain, I am healed, I have no pain!
- A lady with multiple health problems, including a compromised immune system, laughing uncontrollably as she felt the fire of God in her stomach. She was brimming over with thankfulness to God and the Holy Spirit.
- A lady burdened with complex work related issues, said that she felt that her burden had been lifted.
- A lady with Covid19 wanted freedom from fear, healing and protection for her family. She felt that her breathing was improving as she was receiving prayer.

- A lady suffering from severe arthritic pain in her feet, hips and hands, felt so much better after prayer - Her face was radiant.

The above are just a few of the people who came into our prayer rooms during last Saturday's Miracles & Healing Night. Praise God that they came for prayer and that He met with them.

What a privilege it is to be praying for so many lovely people, such a blessing to see all of these people receiving help through prayer - Thank you Lord Jesus.

The Wall of Answered Prayer (EWOAP)

All of the HREW testimonies are automatically sent to EWOAP and HREW are developing closer links with this organisation. The December newsletter from EWOAP says - 2020 has been a hugely busy year for Eternal Wall, as we changed our name AND were granted planning permission! But we are not winding down for the Christmas season just yet. We are working hard on exciting plans for 2021 and all the excitement it'll contain.

This month we've joined a brand new platform where we want to make hope visible - we've started our own podcast! You can find our Eternal Wall: Stories of Answered Prayer Podcast on [Spotify](#) and [iTunes](#) now.

Get a burst of hope with a new answered prayer every day, and be encouraged that the God who answers is with you in every situation. Be sure to share it with your family and friends this Christmas, and together let's make hope visible.

Answered Prayer of the Month – No. 13450

"One day I was going to the hairdressers when I realised I had left my hearing aids in, as they must not get wet, & removed them and placed them in my handbag. Some hours later I got home & I only had one in my handbag - I had lost one!! During the next week I searched the house, the car, the bed, everywhere possible; no hearing aid."

“I went to the opticians to get an appointment for a replacement. I sat in my car feeling so frustrated, I said to the Lord, "I know I'm an 82 year old woman, but Lord please help me." He said clearly to me, "Go to Queenborough Road petrol station." I said "What?" Again He said "Go to Queenborough petrol station". So I went, said to the young lady, "It's a silly question but have you found a hearing aid?" "Yes", she said, "I put it on the shelf. It's been there all week." I said "Thank you Lord"."

Our New Website

January 2021 saw the launch of our new website. This was the culmination of several months work and in October 2020 we entered into a contract with UKChurches to develop and maintain a website for us. UKChurches are a specialist in developing websites for churches and other Christian organisations and had a strong empathy for the work of Healing Rooms.

We believe the website will give HREW a much stronger internet presence and will facilitate getting the message of healing to a wider audience. The website also gives all our locations the opportunity to develop a greater internet presence. The content of the website has been enhanced to reflect what is actually happening within HREW, specifically with the changes brought about by the difficulties of 2020.

If you want to personalise your location details with more textual content and photo's contact the administrative team at Congleton and they will help you to develop your profile.

The website has the same address as before - healingrooms.org.uk

A Comment from our Website Provider

My name is Nigel Ipinson-Fleming and I am the director of the UK's leading church and charity website provider UKChurches. Over the course of the past 6 months we have had the privilege of working with the Healing Rooms team to develop a new online presence.

UKChurches has been in business for the past 20 years and over this time we have seen technology greatly influence what we now experience online, and this has shaped the way that we now provide our services.

I often refer to a website as a living breathing organism that is never truly finished, and as we have embraced technology, it has allowed us to enable our users to get the most out of their websites as an evangelistic tool.

One of my favourite scriptures is Habakkuk 2:2 which talks about writing the vision and making it plain upon tables. Well to me, the modern version of tables is a website, and through this amazing vehicle, you have the opportunity through text and images, to convey a very powerful message to all that pass by.

So what does it take to have a successful website?

The look and feel is important, layout of information is important, but the key to a successful website is content. In the web design industry the standard phrase is content is king. When conveying this to our clients and specifically with Healing Rooms, I said to the team that there is a lot that goes on across the different areas, and although it may not seem like news internally, it is potentially amazing news to everyone else, so document everything.

Although our services are largely tailored to churches and charities, we also have business clients as well, and our key objective is to make sharing the good news of the gospel accessible to all.

Healing Rooms at Costa Coffee

Healing Rooms meetings are suspended until such time as Costa Coffee are open again. We are still available for any prayer requests which will be passed to the team as is deemed appropriate. If you have prayer needs, then pass them to us using the contact details on the websites. Costa locally are asking us to return to situ and are very keen to have us. However, we are wanting to set up acceptable protocols with Costa that will work within the current restrictions.

As their current opening times are not back to normal this will be a factor to consider. Costa Coffee are operating at reduced opening hours both in Tesco Congleton and at Affinity shopping mall, Talke. Also, given the new government changes just announced we are monitoring the situation and intend to return to Costa as soon as we have the opportunity.

The National Prayer Line

The National Prayer Line of Healing Rooms England & Wales is open 7 days a week for 2 hours per day, see below for individual times. At present, in addition, our dedicated regional teams will pray for you either online or over the phone. We have temporarily closed our Healing Rooms to comply with and support the current Government guidance and legislation. By every means possible we must all do our best to protect the health and safety of the people in our nation at this time. We are currently not able to send out prayer cloths. Go to www.healingrooms.org.uk for more information and contact details for your nearest Healing Rooms. We are a Christian Charity and our members are trained and experienced prayer ministers from a wide range of mainstream Christian churches. It is our desire that all people find healing and wholeness. We aim to help those struggling with life's challenges be they physical, emotional or relational.

Prayer requests can be sent by e-mail to: contact@healingrooms.org.uk
