### Healing Rooms at Costa Coffee

Healing Rooms meetings are suspended until such time as Costa Coffee are open again. We are still available for any prayer requests which will be passed to the team as is deemed appropriate. If you have prayer needs, then pass them to us using the contact details on the websites. Costa locally are asking us to return to situ and are very keen to have us. However, we are wanting to set up acceptable protocols with Costa that will work within the current restrictions.

As their current opening times are not back to normal this will be a factor to consider. Costa Coffee are operating at reduced opening hours both in Tesco Congleton and at Affinity shopping mall, Talke. Also, given the new government changes just announced we are monitoring the situation and intend to return to Costa as soon as we have the opportunity.

### National Healing Rooms Prayer Line

Healing Rooms England & Wales (HREW) are operating a Prayer Line. This is open 7 days a week and details of the phone numbers and daily opening times are available on the HREW website. More details are available at the end of this newsletter and on the HR@CC website - [healingroomsatcostacoffee.co.uk](http://healingroomsatcostacoffee.co.uk)

### HREW and IAHM

HREW will be recruiting prayer teams from across our National Healing Rooms in readiness for the next of the “Miracle Nights” at **6:30 pm (UK) on 16th January 2021**. The Miracle night will be broadcast via YouTube and the individual prayer by Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer. The main speaker for the night has still to be announced.

### The Prayer Rooms will be open from 6:30pm.

On the fourth of the Miracle Nights we were privileged to pray for 19 persons from many different nations. A number of healings were reported and some of these testimonies are included in the Testimony section at the end of the newsletter. There were 10 prayer teams present with a total of 30 prayer ministers.

If you were not able to see the past Miracle Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading Miracles & Healings Night, by selected dates: [Miracles & Healings Night in English](#)

## Miracle & Healing Nights - 16th January 2021 at 7:00 pm

Our speaker for the night is Paul Maurer

Paul Maurer is a Missionary-Evangelist with a strong prophetic gifting. When he was 16 years old his life was radically changed at the Brownsville Revival in Pensacola, FL. He went on to attend Brownsville Revival School of ministry and then he furthered his education at Southwestern A/G University and received his B.A. degree. In 2007, Paul came on staff at Brownsville Assembly of God, where the longest running revival in American History occurred.

In 2012 the Lord was stirring Paul's heart for the nations and he pursued missionary work in Asia. After fruitful ministry the Lord opened a door to be personally mentored by Reinhard Bonnke's successor and President of Christ for all Nations - Evangelist Daniel Kolenda. Paul has been a guest on God TV, TBN, and other television networks around the world. Paul is called to take the gospel to some of the most remote and unreached places in the world. This is accomplished through large scale gospel crusades in the nations.

Paul also is called to bring spiritual renewal to the church. Paul burns with the fire of revival and his heart's desire is to reach those that have never heard the name of Jesus.

### The Eternal Wall of Answered Prayer (EWOAP)

All testimonies of answered prayer received by HREW are passed to EWOAP for inclusion in the wall.

## Answered Prayer #15340:

'Like many Christian and non-Christian couples, my wife and I were struggling to conceive a child. In truth, we'd almost given up. I remember distinctly sharing our story with friends over a meal. Together, we share how despite our disappointment, it was well with us. We'd not live a life of bitterness. Our friends agreed to pray.

To my absolute delight, soon after, my wife showed me a positive pregnancy test. We were thrilled! I wonder if letting go and letting God move was key? It wasn't an easy pregnancy, but our little miracle was born at 37 weeks at 3lb 13oz. She is a delight – she's clever, warm-hearted and following Jesus herself. Our hearts are full. Thank you Lord!'

## Testimonies

These testimonies are a sample from some of the healings that took place on the fourth of the IAHM Miracle nights (12<sup>th</sup> December) and were reported by the prayer teams. Individual prayer takes place via breakout rooms in Zoom.

Here's a testimony from this Saturday night. Back in October we prayed for a young lady who had severe ulceration of the lip at the site of a previous injury. The wound was very painful and caused her to have difficulty speaking, which is a real issue with her job. She had been on various treatments to no avail. Her camera wasn't working so we weren't actually able to see her whilst we prayed for her healing. On Saturday night by God's divine coordination the same lady popped up in my breakout room. She recognised me from before and reported that her lip was now completely healed which in her words was a miracle. Praise God!

We prayed for a team member who had chilblains and by the time we'd finished the session he felt they had almost gone.

We prayed for a mum and her son. He had a neurological condition which caused him to fit. There wasn't an obvious change in the boy but we sensed the Mum receive hope.

The other lady we prayed for was on behalf of her Hindu friend with stage 4 liver cancer. There was an expectation for God to do something amazing as the lady's Mum had been healed of cancer. We prayed for salvation, obviously the greatest miracle.

## The Prayer Line

HREW are continuing to offer prayer at various locations, however, at present our dedicated teams will pray for you either online or over the phone. We have temporarily closed our Healing Rooms to comply with and support the current Government guidance and legislation. By every means possible we must all do our best to protect the health and safety of the people in our nation at this time. We are currently not able to send out prayer cloths.
