A Message from our Directors

The Director's New Year Message for 2021

Thank you to Everyone who has supported us during the past year and throughout a strange and challenging time of change for all of us.

We want to wish you a very happy and safe 2021.

The past months have opened up a 'brave new world' of ministry. Despite traditional Healing Rooms needing to close their doors and the Market Place Healing Rooms unable to mix with the general public. Our online connections have mushroomed with many Healing Rooms now offering Zoom prayer. The launch of a National Prayer Line, which has been functioning 7 days a week since May and is positioned for expansion in 2021.

Also, a partnership with the International Association of Healing Ministries headed by Jean Luc Traschsel, who was scheduled to be our HREW National Conference speaker for 2020.

HREW were invited to provide the English speaking prayer for the 'Presence' 2020 International IAHM Conference in June, where we saw around 800 individuals from around the world call in for prayer over a four day period.

Following this event we were invited to be part of their International Healing School for nine monthly slots, providing prayer ministry online at their monthly corporate gatherings. This is due to finish in June 2021.

David, myself and the team at HREW Headquarters are so grateful for your prayers.

We really don't know what this New Year will bring, and difficult to know what will transpire given the limitations imposed by the Coronavirus situation.

We are keen that 2021 is guided in its entirety by the Holy Spirit and that as with 2020 God has surprised us with much more than we 'ask or even imagine'. Long may it continue. This I feel has been confirmed by a 'word' we received this past week which says "What stirs faith should not be modified by constraints formed by current circumstances. - pushing the envelope of our vision into the arena of 'more than we think or imagine'."

HREW and IAHM

HREW are engaging in a year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella. The first of these nights was on the 12th September 2020, the Miracle Nights are broadcast via YouTube and the individual prayer by Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer.

The third speaker was Elisabeth King. Matt and Elisabeth King are evangelists from Australia (him) and Norway (her). They are itinerant ministries linked to Bethel Church in Redding, California. They lead the ministry school Impact - School of Revival for Europe and are based in Bergen, Norway. They supervised many ministry trips and had the privilege to preach the Gospel of Jesus Christ to large crowds in these nations.

12th December 2020

The fourth speaker was Tim Eldridge. He says “I had an encounter with God at the age of 6 and by the time I was 12 I was editing a Christian magazine and, at 17, leading the kids at my local church. In 1982 I moved to Yorkshire to become the administrator for a bible college. Sue and I were married in 1986 and involved in church leadership for the next 11 years. From 1994 to 1997 I read Peace Studies at the University of Bradford. At the end of this degree, we relocated to lead Presence Church (formerly Harrogate New Life).”

My life changed forever

“We have seen many changes over the past 19 years that have taken us on an incredible journey. My life changed forever after a heavenly encounter where God revealed to me clearly my calling and destiny and he showed me how I was a strategic apostolic connector of ministries. Since then I have had many divine connections in my life and have become a landing pad for revelatory ministries in the UK and beyond. I was one of the pioneers of Global Legacy (Bethel’s relational network) in the UK and Europe. We are now the co-directors of the annual European Leaders Advance (ELA) which attracts over 2,000 delegates. My passion is to see the church mobilised in this day to impact cities and nations with the transforming power of God and see world-wide revival.”

If you were not able to see any of the Miracle Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights**, [Miracles & Healings Night in English](#)

Testimonies from the Miracle Nights

These testimonies are a sample from some of the healings that took place on the IAHM Miracle nights and were reported by the prayer teams. Individual prayer takes place via breakout rooms in Zoom.

Here's a testimony from this Saturday night, back in October we prayed for a young lady who had severe ulceration of the lip at the site of a previous injury. The wound was very painful and caused her to have difficulty speaking, which is a real issue with her job. She had been on various treatments to no avail. Her camera wasn't working so we weren't actually able to see her whilst we prayed for her healing. On Saturday night by God's divine coordination the same lady popped up in my breakout room. She recognised me from before and reported that her lip was now completely healed which in her words was a miracle. Praise God!

We prayed for a team member who had chilblains and by the time we'd finished the session he felt they had almost gone.

We prayed for a mum and her son. He had a neurological condition which caused him to fit. There wasn't an obvious change in the boy but we sensed the Mum receive hope.

The other lady we prayed for was on behalf of her Hindu friend with stage 4 liver cancer. There was an expectation for God to do something amazing as the lady's Mum had been healed of cancer. We prayed for salvation, obviously the greatest miracle.

Miracle & Healing Nights - 16th January 2021 at 7:00 pm

Our speaker for the night is Paul Maurer

Paul Maurer is a Missionary-Evangelist with a strong prophetic gifting. When he was 16 years old his life was radically changed at the Brownsville Revival in Pensacola, FL. He went on to attend Brownsville Revival School of ministry and then he furthered his education at Southwestern A/G University and received his B.A. degree. In 2007, Paul came on staff at Brownsville Assembly of God, where the longest running revival in American History occurred.

In 2012 the Lord was stirring Paul's heart for the nations and he pursued missionary work in Asia. After fruitful ministry the Lord opened a door to be personally mentored by Reinhard Bonnke's successor and President of Christ for all Nations - Evangelist Daniel Kolenda. Paul has been a guest on God TV, TBN, and other television networks around the world. Paul is called to take the gospel to some of the most remote and unreached places in the world. This is accomplished through large scale gospel crusades in the nations.

Paul also is called to bring spiritual renewal to the church. Paul burns with the fire of revival and his heart's desire is to reach those that have never heard the name of Jesus.

Eternal Wall of Answered Prayer (EWOAP)

All of the HREW testimonies are automatically sent to EWOAP and HREW are developing closer links with this organisation. It has been recently announced that the organisation has changed its name, it will now be known as - Eternal Wall of Answered Prayer (EWOAP). The EWOAP is envisaged as a “A National Landmark of Hope”, a piece of architectural sculpture built on the outskirts of Birmingham about Jesus. With the land now secured, building will begin in 2021, Planning Permission has also now been granted. Made of a million bricks with each one representing an answered prayer, the Eternal Wall has three aims:

Preserve the Christian Heritage of our nation

God has faithfully and powerfully moved throughout the history of the UK, whether by answering the prayers of St Augustine in the 6th Century, to the millions of people who queued up outside churches to pray for the men on the beaches of Dunkirk. We want to celebrate and remember all the prayers God has answered throughout our nation’s history.

Ignite a faith for prayer on a national level

Imagine everyone in the country having free access to a database of a million answered prayers. They can type in whatever storm or situation of life that they’re going through, and they’ll be able to see first-hand the God who has done it before, and is more than faithful enough to do it again. Their faith will be lifted and encouraged.

Reveal Christ to the nation

Around 500,000 journeys will travel past this monument every week, and we estimate that 150-200,000 people will visit this site annually. We hope that as people explore the answered prayers and comprehend the colossal nature of what they are witnessing, they will personally encounter the God who answers.
