## **HREW National Conference 2023 – Feedback**

“Awesome” is a much over used word these days but in this instance it is highly appropriate as an overriding description of the Conference. This surely was a God-ordained meeting, after a gap of 4 years this was timely and gave a great opportunity for the diversity of believers who make up the Healing Rooms family to come together and be refreshed and invigorated.

The preaching was Powerful and Uplifting and we felt the presence of the Holy Spirit throughout the main sessions. There was a great sense of anointing and a feeling of being Spiritually “alive”. The worship times were tremendous, and we had an awareness of being led into the presence of God. Not only was the main message of these sessions about revival and reaching the unsaved but it brought about a feeling of revival in a personal way. With the power of God, the prayers of healing from the whole assembly were even more powerful.

The other options that the Conference offered such as the Prophetic Booths and seminars were excellent and gave us the opportunity for spiritual refreshment as well as going deeper into some of the subjects that make up the Healing Rooms experience. Added to this we had the option to “Chill out” and rest in God in the Encounter Room or peruse the book stall and catch up on some of the latest and traditional publications that are available.

It's so rewarding to be involved in such a wonderful occasion... tiring but equally so satisfying to participate in a way that helps to make the occasion.

Finally, what a joy it was to meet “in the flesh” so many whom we had previously only seen on Zoom. Such a pleasure to shake hands and greet those we had solely met in the “virtual world” during Covid but can now relate to as friends.

### **Further Feedback and Testimonies from the 2023 Conference**

- Thank you all for every arrangement at the conference – once we had overcome the travel difficulties it was wonderful! We all had a great time... It would have been nice to go to every seminar! The prophetic pictures we were given on registration was such a Holy Spirit inspired project. My verse and photo were so sensitive to me. We also all appreciated the prophetic appointments in the afternoon – I am still digesting what was given to me!
- I nearly didn't attend but God encouraged me to go! He just knows... his timing is perfect for what we need. The power, love and comfort of the Holy Spirit was there through the whole duration. Cath & Angus and team led us into the throne room and the tears of healing flowed as God touched me with his presence, bringing me his promises of hope.

- At the conference, it was a deeper connecting with my heavenly Father. Drawing me closer to himself. And Jesus. And Holy Spirit. Fanning into flame the gifts of God within. I was given hope for my future in a stuck place, when it all seems impossible. God has put a healing school in my heart. A church in my heart. Books in my heart. How God? Blows my mind. Not by might not by power but my spirit says the Lord. A new thing. A new wineskin. I think this verse in 2 Peter sums up what God was doing for me at the Healing Conference: "Therefore, my brothers and sisters, make every effort to confirm your calling and election. For if you do these things, you will never stumble," (2 Peter 1:10, NIV). Blessings and peace. 🙏❤️
- I had had a Sozo a week prior to the conference where God started a deep healing of my identity. While at the conference a symbolic touching of the cross as encouraged by the preacher enabled me to release the grief of losing my Mum a few years earlier and be able to cry/grieve which I could not do previously. God gave me a release and a joy in exchange for the grief. His work is continuing and my faith and relationship with Jesus is deepening.
- Two days set apart from the demands of work and home ... a place to experience God's presence. Saturday was awesome! We went as a couple to the prophetic booth. The lovely ladies we saw didn't know us and didn't know that we had gone to seek a word from God over our life and future together. After a long silence came the words... "Have you ever been likened to Pricilla and Aquilla?" They were a married couple, tent makers who worked alongside the apostle Paul. The words that followed were incredibly accurate and clear about how God saw us in a covenant relationship. We were so incredibly blessed and assured in what we heard.
- There was an amazing experience at the healing and miracles evening where God directed Jean-Luc, world-wide healing evangelist, to a man who was a new Christian. The Holy Spirit touched him wonderfully, he was laughing in the Spirit as Jean-Luc prayed healing and said he sensed an anointing on him for the work God has in store.
- Serving on the team was my pleasure and privilege, meeting old friends and making new ones. It was amazing how people would come up to me and offer to pray like they just knew what I was going through. I was overwhelmed by their love and compassion. The prophetic booth experience spoke right into my situation and again brought more healing.

## An article from Mike Robinson

### WAGE WAR ON SICKNESS

A short while ago I literally erupted into speaking in tongues. I'd call it a very angry violent outburst! What came out of my mouth sounded violent. It quite took me by storm! I'd never spoken the Māori language before though I had heard it spoken many times. I instinctively knew that this was the Māori language. I knew because I knew! "You will speak in unknown languages!" I asked the Holy Spirit what I was saying. Immediately I heard "WAGE WAR ON SICKNESS."

If we're going to advance His Kingdom then we need to be violent. Holy boldness. Holy violence. "It's not by might nor by power. Not 'your might'. Not by 'my might', but by My Holy Spirit." Zechariah 4v6. Love is violent. The devil hates it! Forgiveness is violent. The devil hates it. Speaking in tongues is violent. The devil hates it! "It's from the overflow of the heart that the mouth speaks". That's violent, if we're whole hearted, the devil hates it! If we're half hearted the devil doesn't! Compassion is powerful. Sympathy is limp. Compassion is a movement. Jesus was "moved by compassion".

'The One' who is compassionate, and speaks from the overflow of His heart, and speaks violently too, and exercises Holy Boldness, lives in you and me. Let's call on Him and ask Him to show us how we can be violent. How we can Be Holy and Bold. God gives us the power to "Be" like Jesus before the power to "Do" like Jesus. "Be" comes before "witnesses" in Acts 1v8!

Be bold! Be strong! Go to war on sickness!

### Testimony

On Wednesday 24th May, I was delighted to have been transported to the Healing Rooms, at Costa Coffee, Talke. The reason I was delighted was because for eight weeks I had been suffering from the most excruciating double Sciatica of the ilk I had never experienced before – it felt like I was being electrocuted again and again as the pain roared down the back of both legs, then burrowing and biting in around the front of my ankle joints. It's the sort of level pain that unfortunately elicits audible gasps of agony from the pain bearer. I was asked earlier in the day from a Medic what level my pain was from 2 to 10, and my weary reply was 12. It says it all.

Gingerly sitting down in the airy and spacious social space of Costa with a Latte Coffee before me, I not only drank the coffee but also absorbed the relaxing atmosphere. I was pleased to meet some of the members of the Healing Rooms Team.

In due course I was introduced to a couple, one male and one female, who were going to pray for my healing and release from pain. They were comfortable to be with in that place with the general public scattered around at tables with their beverages enjoying the sunshine coming through the windows.

**“...the Lord... INVITED ME TO DANCE.”**

---

I cannot remember the actual dialogue but I do remember that this man had a depth and deep breadth of understanding of scripture and the outworking of its theology. Prayer took a gentle course for my release from pain in every possible way, this was echoed by his delightful prayer partner. In time I was transported into a different setting where it felt perfectly natural as the prayer continued to see Jesus in my spiritual vision. As I tarried with Him the Lord of lords who has overcome the world...

approached me and stretching forward with his right hand  
“INVITED ME TO DANCE.”

Oh what joy transported me... time stood still...

Whilst the vision of Jesus then faded, I have enquired of my soul memory whether we did dance. Perhaps it was a Waltz or a Yiddish dance – I cannot say, but the exquisite afterglow of Jesus my Lord's invitation I will never forget. I believe the invitation to dance was to help redress my limited walking fluidity and acute level of pain. Both were improved.

Whilst the Sciatica was not healed completely, the aftermath of such an encounter and vision of the risen Christ and his invitation will be held in my memory as another light bulb moment of how Jesus is interested in each and every facet of our lives.

Thank you Lord.

### IAHM Miracles & Healings Nights

A Testimony from the June Miracles & Healings Night:

- A lady came into our online prayer room in need of prayer. The lady had pain in her eyes, shoulders, and knees, in addition to a peculiar pain in her head accompanied by a hissing sound. She felt a sense of heaviness over her. She loved God but could not worship or read the bible as the pain on her head and hissing sound would become unbearably loud. **We prayed for her and discovered a root of freemasonry which we broke off and prayed for her deliverance and healing.** Transformation took place before our eyes, the pain on her shoulders decreased, her mobility increased. The heaviness lifted and was replaced by peace and joy. Her countenance changed, she started to worship so joyfully, we were all blessed and thanking God.

Following the success of the series of Miracles & Healings Nights that started in September 2020 HREW are pleased that we have engaged in a fourth year-long Healing School for International Association of Healing Ministries (IAHM) where we are providing monthly online ministry under their umbrella.

## Eternal Wall of Answered Prayer (EWoAP)

### Land Blessing

The Eternal Wall of Answered Prayer were delighted and privileged to invite over 300 people, including representatives from Healing Rooms England & Wales, to their historic day. Their prayer was that all would join together as the broad church to bless the Eternal Wall land, that, in turn, their guests would be blessed by their part in it.

It was one of the most significant days of their journey to date, and EWoAP invited their guests to continue journeying with them to see this landmark realised in the heart of the nation and to declare the goodness of the Lord to the generations to come.

- *One generation commends your works to another; they tell of your mighty acts.*
- *They speak of the glorious splendour of your majesty – and I will meditate on your wonderful works.*
- *They tell of the power of your awesome works – and I will proclaim your great deeds.*
- *They celebrate your abundant goodness and joyfully sing of your righteousness.*

*Psalms 145: 4-7 (NIV)*

You can play your part by sharing your stories of answered prayers and encouraging those in your churches and ministries to do the same. Help EWoAP to **make hope visible** to a world that needs to hear of Jesus, mighty deeds and discover the hope that can only be found in Him.

Shown below are some memories of the day:

Eternal Wall of Answered Prayer have requested HREW to include a specific call to action, for people to share their answered prayers with them using the hyperlink to their [testimony page](#) (*Ctrl and click*). It makes a massive difference to them, and enables them to gauge how many new individuals are engaging with the project by sharing answered prayers.

## Eternal Wall Testimony of the Month

**“Within a few days he stopped having nightmares”**

7<sup>th</sup> June 2023

I had a very scared 4 year old boy. When he was 18 months he was flying down slides head first and seemingly had not fear. But slowly he started getting more afraid of everything. He wouldn't use a bike with training wheels as he was scared he would fall. He would not lean back in the toddler pool as he was scared he would drown (his

words). Forget about going into the big pool. He had nightmares every night. Some were scary even for me. He would hide behind me and cry. At first I thought it was a developmentally normal stage of being a toddler but as he was approaching 5 years old I was more and more concerned as he should have been growing out of it by then. It was at that point I shared this with my church sisters at our regular Friday night Bible study. We prayed together and I continued to pray for him myself daily, for God to protect his mind, point his Holy Spirit into him and not to give him “a spirit of fear, but of power and of love and of a sound mind”. Within a few days he stopped having nightmares and within a few weeks he was not fearful anymore. I am so thankful that God heard our prayers, this is a testimony to how powerful prayer is.

## **Moving in Miracles and Healing: A Supernatural Handbook – Jean-Luc Trachsel**

### **INTRODUCTION**

You are called to live a supernatural life! Throughout this book I will share incredible testimonies and experiences of supernatural healing that I have seen firsthand in my ministry. The reason I share these stories is so that you will have faith and expectancy to see God move in the same way through your life. The miracles we read about in the Gospels and the book of Acts are not just stories from the past, they present a picture of what it looks like to truly follow Jesus Christ.

With my own eyes, I have seen growths disappear, blind eyes healed, deaf ears opened, creative miracles, people raised from the dead, paralyzed people coming out of their wheel-chairs, shadows healing the sick, angels and light manifesting during services, a pillar of light carrying organs for creative miracles, precise words of knowledge with names and specific details, and many other miracles like multiplication of food and gasoline and supernatural protection when I was kidnapped two times. Let me start with a few stories to give you a taste of what's to come in this book.

Once, I was in a packed stadium on the island of Martinique when the electricity went off, and I had the gift of faith hit me. I ran through the crowd to a man who was in a wheelchair, and he was miraculously healed! Another time, I was in the Ivory Coast praying in my hotel room when the Lord asked me to go outside to the front porch of the hotel. There I met a famous Reggae group. One of the guitarists was dying from hepatitis, so I prayed for him, and he was instantly healed. I began preaching the Gospel to the group as if I was preaching for a large crowd, and I noticed that people in the lobby were listening, and guests were opening their hotel room windows to hear the message! I did an altar call for salvation and many people gave their lives to Jesus including the Reggae group, guests from the hotel, and the hotel director. In Pakistan, during a healing service, a severely deformed deaf, mute man was ejected into the air, his hips turned completely around, his withered hands were restored, his ears opened, and he could speak!

## **Moving in Miracles and Healing: *REVIEWS***

I believe Jean-Luc Trachsel is the most recognized minister of healing in Europe who has been praying for the sick for decades. I met him probably 25 years ago and was taken with his stories of miracles and his understanding of and commitment to the ministry of healing. He has been used to fill the cathedrals of Europe once again, with the people standing on the sidewalk outside not able to enter because the church building is full. A man of passion, understanding, compassion, and zeal for the Kingdom of God and the Church. A minister who has experienced the gift of faith. A faithful servant of our Lord Jesus Christ who is teaching others how to be faithful to the Great Commission. *Moving in Miracles and Healing* is a must read for those desiring to obey the command of Jesus that His disciples would heal the sick. I consider it an honour to recommend Jean-Luc, his ministry, and his new book.

In *Moving in Miracles and Healing*, Jean-Luc Trachsel shares decades of experience in healing ministry. Jean-Luc is a spiritual son and one of the most passionate people I know, with a deep love for God and people. His desire is for every Christian to live out what Jesus taught us: loving the lost, healing the sick, and working together in unity with the whole body of Christ. We believe together that we are not called to cut down our brothers and sisters, but to radical, self-sacrificing love. Jean-Luc has been a catalyst working for unity, desiring to see every believer live a supernatural and self-giving life. I pray this book would inspire you to partner with the Holy Spirit and love the church around you more and more deeply each day.

## Featured Christian Artist - Sarah Bookless

### **Running the Race "The Greatest is Love"** by **Sarah T Bookless**

The painting depicts runners who have heard the call of Christ and have eagerly joined the Spiritual Race.

Professional athletes competing in the Olympic or Commonwealth Games, in order to compete, must train to be at their highest level of fitness in their sport. For this they need commitment, discipline and dedication. This same dedication is necessary also to be in each one of us who have made a commitment to Christ.

We need to stay focussed on Jesus, who is the Author and Finisher of our faith, in order to win the imperishable garland.

Almighty God and Father, may we all be granted the grace to continue the race and join St Paul in saying:

"I have fought the good fight. I finished the race, I have kept the faith."

We ask this in Jesus' Precious Name, Amen. Shalom, my Friends.
