My Story by John Hulse

Member of Congleton & Talke Healing Rooms

The first time I heard about Healing Rooms was in a men's bible study in 2012 when David Mee (who along with Veronica are now National Directors of HREW) told us that Veronica had had an idea to start a Healing Rooms in a local Costa Coffee (HR@CC). I remember thinking how good, but crazy is that. As the weeks passed we followed with interest the progress of this idea and I started to realise God was telling me to contact Veronica. This I did in January 2013, 4 months after the first Healing Rooms at Costa Coffee opened in Freeport (now called Affinity). After some training I found myself praying with people at Freeport, a bit of a shock for a Churchwarden who worships at a high Anglican Church with little healing awareness.

It was not until 2006 that I gave my life to the Lord as the result of an Alpha Course at a local church, my only experiences of healing up to this time had been as a reiki master for 8 years, but that's another story!

The Father put me on an accelerated learning course for which I will be forever grateful.

In May 2014 the second HR@CC opened in Congleton and enquiries were coming in from other Healing Rooms wanting to do the same thing. I was asked to be part of the training team and we had the privilege of going around the country sharing our experiences and helping others to open their HR@CC.

In our two Healing Rooms we have prayed with literally hundreds of people, seen many miracles and healings and people impacted deeply by the presence of God, some of these people never go to a church. How amazing that their first encounter with Him is in a coffee shop. We have even been able to lead some to make a commitment to the Lord.

We knew we had to do something

When Covid19 prohibited us from ministering in all Healing Rooms we knew we had to do something; this was the start of The National Prayer line. We again put all our trust in God, prayed, and waited for the phones to ring. After a slow start we were soon receiving a growing number of calls and I believe this is a service that must continue even when we are able to return to our Healing Rooms.

It is a slightly different form of ministering to people as you can't see them and it's one to one over the 'phone. Many of our callers have been blessed and healed by this ministry. I know it has improved the way I listen to people.

Praying for people from all around the world

I have also been involved with the IAHM Miracles and Healing nights which has been an amazing experience to be part of a large team of Christians praying for people from all around the world and seeing God touch many of them in special ways and healing many of painful conditions.

I hope it is not too long before we can return to our Healing Rooms wherever they are held, I know I need some more points on my Costa card!

I want to be back training again and helping others to open more HH@CC (now the Market Place Model).

The National Prayer Line I believe will grow. At the moment research is being done to find a system whereby a single 'phone number could be used for the whole country thus enabling many more people to be part of this valuable service and therefore to be available for callers longer than our present 2 hours per day Monday to Saturday, it is something that is needed. Watch for more information on this as plans unfold.

Compassion is a movement. Your move when your're moved

The most important thing that I shared at the recent Presence 2021 healing conference in our "Soaking Room" was about compassion and so I am going to attempt a quick run through of what that was for those who were not able to be on the ministry team, and those who were! Compassion is a Kingdom emotion and it's the King that gives it to us. To live like Jesus means we are to be moved by compassion because compassion is not a static thing. It's a movement that moves us to live a Kingdom lifestyle. The Kingdom is deep within us. Compassion comes out of an ocean of love! The Greek definition for compassion is to have the bowels yearn, be moved with compassion. Jesus healed because He felt compassion. Mark 14V14.

Think about the Dumbwaiter

I like to think of the movement of compassion like this. Think about the Dumbwaiter in a Victorian house. The food is put onto the lift shelf deep down in the kitchen and up it goes to the dining room, two floors above, to be served by the head waiter. Compassion comes up from deep within our bowels too, and the Holy Spirit, the head waiter, serves us with compassion! We cannot switch compassion on because we do not have the switch! God does! Compassion suddenly comes! We decide whether or not we want to be moved by compassion and when it comes up from our bellies we then move and cast out demons, heal the sick, raise the dead, and release resurrection power that's within us. The love of God compels and controls us. It is the Kingdom emotion that moves us and if we are going to heal the sick and raise the dead, just like Jesus then we should position ourselves to be moved!

Your move!

Encouragement and Inspiration from Great Yarmouth Healing Rooms

Here at HQ, we have received an encouraging update from Great Yarmouth Healing Rooms. The Lord is currently developing, equipping, and shaping them for the work in hand. The following scripture is a long-term word for Healing Rooms ministry and there are several themes here - the restoring of Jerusalem with precious stones, the freeing from oppression and attack, and the dealing with the weapons that have been formed against us.

Isaiah 54:11-17

Afflicted one, storm-tossed, *and* not comforted,
Behold, I will set your stones in antimony,
And I will lay your foundations with sapphires.
Moreover, I will make your battlements of rubies,
And your gates of crystal,
And your entire wall of precious stones.
All your sons will be taught by the LORD;
And the well-being of your sons will be great.
In righteousness you will be established;
You will be far from oppression, for you will not fear;
And from terror, for it will not come near you.
If anyone fiercely attacks *you*, it will not be from Me.
Whoever attacks you will fall because of you.
Behold, I Myself have created the smith who blows on the fire of coals
And produces a weapon for its work;
And I have created the destroyer to inflict ruin. No weapon that is formed against you
will succeed;
And you will condemn every tongue that accuses you in judgment.
This is the heritage of the servants of the LORD,
And their vindication is from Me," declares the LORD. (NASB).

The team feel that they will be ministering in the 3 towns- Lowestoft, Gorleston, and Great Yarmouth, and as lockdown opens.

The team have seen God working through in a deep way, bringing healing by delivering clients from abuse of various kinds in some cases going back into childhood. This often needs repeated prayer, and the team ministry is not doing this in isolation but also connects clients with other forms of specialist help where that is available.

Below there are three anonymised testimonies received from Great Yarmouth Healing Rooms.

Today we prayed for X, they had been affected by severe bullying and malicious and false gossip by peers going back into the teenage years. This has the effect of isolating the person, who also suffered with severe back pain. We prayed into this today and believe that it has a root in grief carried by the fisher wives from the many fisherman deaths that have occurred in the town where they live and grew up. The person felt a freeing after prayer and saw a gold chain being handed to them by the Lord. We interpreted this as a mayoral chain, and we believe that this victory means that many others in the town will be set free from the grief that has poisoned the town in the past.

In the past few weeks Y has been set free from difficult church situations compiled over the past 40 years. Particularly there has been a recurring dream of people who were instrumental in the expulsion from of a residential Christian community situation and where there was a repeated pattern of rejection, very heavy discipline, and judgmental attitudes. The group was operating as a secret society with hidden power structures. With the support of the team Y has been freed from anger, and curses spoken over Y have been removed. This healing has meant that feelings of extreme anger towards church leaders where there is abuse of power has been changed to a more normal response.

Free from the effects of the abuse

Z has received ongoing prayer over the past 3 years from Healing Rooms and has recently received help from a specialist ministry to find a complete freeing from sexual abuse that they suffered in their teenage years and suicides in their family. As a result, Z now believes that they are free from the effects of the abuse and feels a burden lifted so that they in conjunction with their doctor are reducing their use of anti-depressants. Z is receiving ongoing support now and is moving forwards in relationships and prayer ministry.

Our God is at work in our broken nation, bringing healing to those who have been abused, broken and downtrodden. Thank you, Lord, that you have a deep love for those who society has cast away.

Presence 2021 – What a Privilege

From the 12th to 15th May 2021 HREW were acting as agents and managing the English-speaking prayer room for the Presence 2021 Conference. For each of the 4 evenings HREW had 50 prayer team members in 17 individual prayer rooms, there were 390 guests admitted for prayer from many countries world-wide. Technical issues meant that some guests were lost and 330 were admitted for prayer.

As usual the prayer times began with a time of “soaking” in prayer and worship with live music being provided. The soaking time for the evenings included, on the last evening, an act of communion. The actual prayer time was for 2 hours except for the last night when it was extended to 2 and a half hours. When the prayer times finished the prayer ministers left the break-out rooms and a time of sharing experiences and testimonies took place. All agreed it was a privilege to be involved and that there were powerful moves of God over all 4 nights.

There were some incredibly moving and exciting healings that took place, these will be added to the HREW website in due course. Thoughts and experiences from some Prayer Team members are shown below, further feedback will be in the July Newsletter.

To give you an idea of the reach of Presence 2021 the callers came from 50 countries worldwide which included: Albania, Australia, Barbados, Belgium, Brazil, Republic of Cameroon, Canada, Czech Republic, Democratic Republic of the Congo, Croacia, Denmark, Dominican Republic, Dubai, Finland, France, Germany, Ghana, Greece, Hungary, India, Indonesia, Italy, Iran, Japan, Kenya, Latvia, Lithuania, Luxembourg, Malaysia, Moldova, Namibia, Netherlands, Nigeria, Norway, Philippines, Poland, Rwanda, Saudi Arabia, Scotland, Serbia, Singapore, South Africa, Sweden, Switzerland, Tenerife, Trinidad, UK, Ukraine and the United States of America.

Presence 2021 Conference Feedback from the 12-15 May

We had a sense of God's presence in our ministry times, we knew that He was with us and He was with our guests wherever they were calling from. Our guests were visibly lighter & brighter, their demeanours changed, (one lady from Germany positively radiant). Application of words of knowledge, words of song 'No longer slaves to fear', scripture (Mal 4:2), in the time of soaking and also in our breakout room time before we met the first guest all relevant to each one of our 5 guests. The Holy Spirit graciously gave many in the team similar pictures, a sense of direction during ministry time (so encouraging for us all). Thank you Father God for all that you gave us, words and pictures that were so relevant to our guests and for your love to them.

Personal highlight - Just an awesome privilege to pray in a team with two such differently gifted ladies. Can't wait to see what God is going to do tonight.

We sensed plenty of fire in our group. Our God answers by fire! The presence of God was evident in greater measure than we'd experienced before. Our guests were genuinely receiving and taking what was rightfully theirs. The words and pictures and words of prophecy from each member of the team were precisely accurate and were keys that we

believe unlocked prison doors for sickness to leave! There will surely be signs following in every group! Overall we sensed that there was plenty of 'excitement and expectancy' which was clearly evident to us because we could see the faces and body language of many on screen as we were soaking.

During the worship time God revealed to me we would meet a person with severe infections and pain in the lower belly parts; including fertility. The pain that the Father revealed was emotional pain as well as physical pain.

Mostly our guests were broken people, really crying out for the deep touch of God to touch them deep within their emotions. Deep calls to deep. Psalm 42 V7. The Holy Spirit reached out to each of them last night. A few wept crocodile tears and I personally felt the knots in their gut being undone. Deliverance took place too through released tears of hurt/anguish. Hurts came tumbling out. A very powerful evening. One man with itching pain and discomfort in his eyes improved quite significantly. His right eye was in a bad state particularly. He said that it had improved too.

Presence 2021 Conference Testimonies from the 12-15 May

These testimonies are a sample from some of the healings that took place on the Presence 2021 Conference and were reported by the prayer teams. Individual prayer takes place via breakout rooms in Zoom.

- A lady from the UK. Bad asthma, weak, can only walk a short distance; broke the generational curse from her grandmother. She said she was healed and left very happy. Asked how long she had been a Christian, 'Since I was born'.
- A lady from the UK asked for breakthroughs from trauma, and health and to feel His love for her. After we had prayed she had a passage from the Lord; Jeremiah 29 'I know the plans I have for you....' and we gave her Malachi 4 v 2. She left overjoyed.
- A lady living in the US asked for healing from 'the moving things causing pain' inside her, starting about 1 year with no obvious cause. We reminded her that Jesus died for our sicknesses on the cross. Prayed, and she started to praise and sing and pray herself. The joy was wonderful.
- A lady from Canada. Multiple Sclerosis; wheelchair user. Believer for c. 2 years; has had prayer before. Had already repented of, and renounced, various occult activities etc., but one very significant thing was revealed which still needed to be dealt with – so we did!
- We prayed for a lady who had problems with her uterus and ovaries. She is currently seeing a specialist. We commanded these organs to be healed in the name of Jesus and asked for a special touch from the Lord for her as she didn't feel anything at first. Then she said she had felt the presence of the Lord.
- A couple from the USA trying for a baby for 7 years but no success due to Endometriosis. We commanded healing of the organs, shared scriptures. Prayed for the husband against Crohn's. The couple were very grateful for our prayers and said they felt the presence of the Lord.
- A lady with physical but mostly emotional problems due to deep rejection. Gave her Romans 8:15-17. Came against enemy strongholds in the mind. Reminded her she was no longer a slave to fear and that Jesus never changes in His love.

- Another lady - Low fertility, trying for a baby for 7 years. Gave Matt 9:27-30. Told her to reach out to Jesus in faith and receive complete restoration.
- A lady from New England USA re endometriosis and also her husband who was sitting quietly. They were both praying to conceive but not having any breakthroughs. He also had an issue with mild Crohn's disease which he was on medication for. We prayed for both of them and they both got blasted by the Holy Spirit at the same time. I was amazed that all the teams we have and all the rooms God would send them in to our room specifically because my wife suffered with this years ago in fact it was a generational curse that came down to all the women of her family from South Africa.
- Finally a lady from USA came on asking for prayer for her immune system, gut and problem with her spine, we discerned a spirit of rejection and all the other rejections, self rejection in particular - there were tears but she was receiving what God had for her. I felt quite strongly about this young lady out of all the people I prayed for over the last three nights I felt a strong anointing on her.

"Every step I take is an act of worship" - Healed of chronic pain

19th May 2021

Answered Prayer #15806

I was in chronic pain for more than ten years. On bad days I could barely walk and it affected so many areas of my life. I had received both medical help and prayer many times over many years and had nearly given up. Then one Sunday morning, multiple people including myself were healed in Church. I have been pain free ever since. I love to dance and this healing has given me the ability and freedom to enjoy this again. Every step I take is an act of worship.
