Healing Rooms England & Wales Conference 2023 - Feedback from Bethel Sozo UK

In October 2022, we felt we had a 'divine appointment' and wondered where it would lead....

We first met Veronica Mee at a day Conference hosted by a church in Wrexham and agreed to swap contact details. Our shared passion to see people healed and whole meant we had a lot in common. So, when the invite came to speak at The National Healing Rooms Conference, it was a "no brainer" for us.

Jean-Luc Trachsel is a passionate evangelist and the times of healing ministry were powerful – he certainly leaves an impression on you when he speaks and ministers. Personally, we loved ministering alongside our friends from Eastgate church who ran Prophetic appointments and ministry in General.

Our brief was to explain how Bethel Sozo could complement the work that people do in Healing Rooms. We understood from Veronica that they had encountered more and more people who not only needed physical healing but emotional healing as well. Very often the healing of wounds and renouncing lies leads to physical healing.

It was a privilege to share about the Sozo Ministry; to highlight how to deal with strongholds that can inhibit healing and to conduct activations. Christine did her freedom prayer regarding Freemasonry which was very effective. Most exciting for us was to hear during the testimony time how a number of people had been set free from issues that had affected them for many years, as a result of that freedom prayer and activity.

Over the course of our two seminars it was a blessing to see how engaged people were with the teaching and ministry times, as one delegate kindly wrote "... the Sozo seminars I attended were taught with such a depth of knowledge seasoned with humour, that I felt it was over too soon."

We look forward to seeing how this partnership between the two ministries develops to equip the saints for bringing Kingdom life to their communities – be it in church meetings or in Costa.

Many thanks and every blessing.

Further Feedback and Testimonies from the Conference

- I can't put into words my experience, I felt so many emotions and I know Holy Spirit was working, I'm not the same since I've been home. The worship was awesome, just to be worshipping with brothers and sisters. Jean Luc was so encouraging and my personal prophecy was so spot on. I don't know what else to say only wow.
- Great to hear Jean-Luc Trachsel. Yes indeed Our Father is doing a new thing. Let's enjoy the prospect.

The Friday morning speaker's message was almost the opposite. 'Be afraid. The devil is up to his old ways and is gaining ground.'

- The Presence of Holy Spirit was heavily upon the evening. It was both powerful and wonderful. I was standing up and as I looked over to the other side of the meeting hall - I saw a finger as if it was pointing directly to me! I was thrown back in my chair and felt a direct touch to my heart. I was instantly changed and from that moment to now have been significantly impacted by Holy Spirit. I have been changed! Praise God.
- From the moment I registered I was given a card with a picture on one side and scripture on the other side. The scripture was Song of Songs 2:10-13. As I read it really touched my heart that God wanted a deeper, closer relationship and time with me. Over the weekend someone from the local Healing Rooms came over and said "I have a word for you from God". I said "bring/give it" which he did saying "you have sought man's approval you don't need it as you have mine, you are my son and I am pleased with you". While he was speaking the power of the Holy Spirit was on him, this confirmed the word as genuine to me.

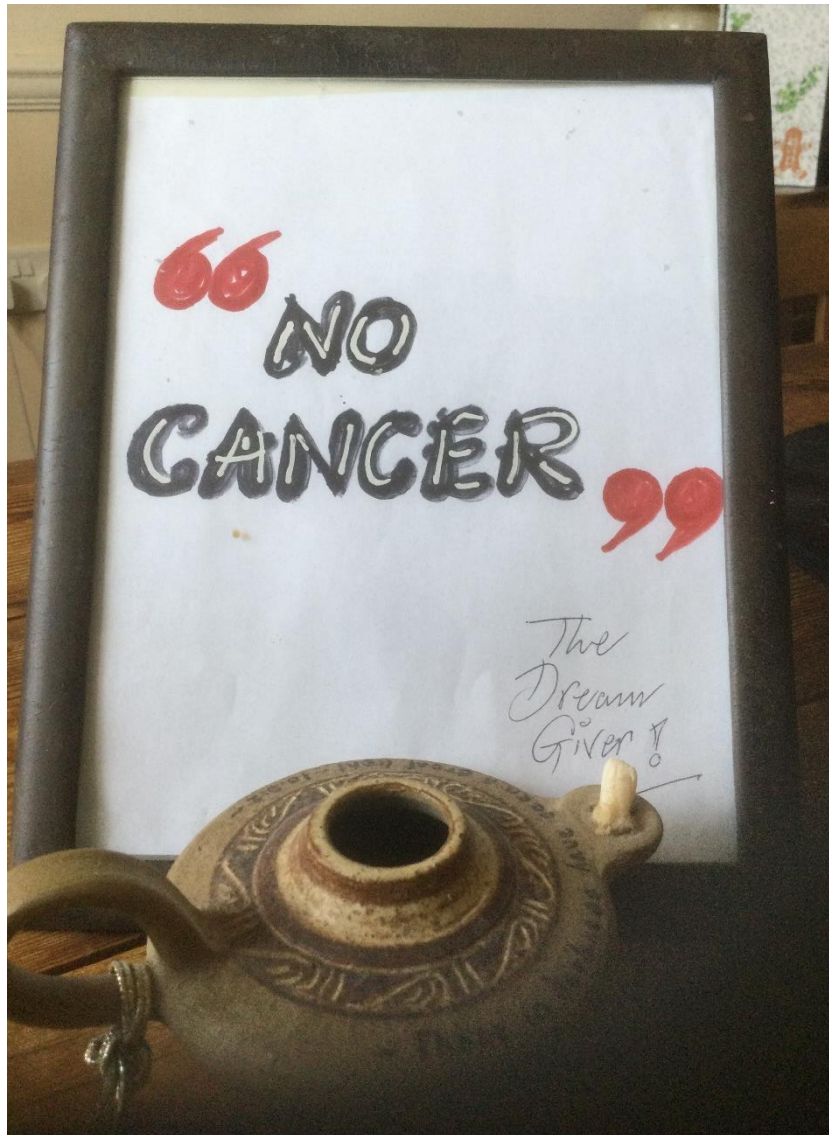

As I was searching for the worship songs we'd sung at conference I found "I am your beloved" from Bethel worship. The words really spoke to me and seemed to reflect a lot of my life but were also doing something inside me. It was great to be at conference with a body of believers, to catch up with some people I'd been on team with on the Miracles & Healings Nights. The speakers were good, the worship was so anointed and we entered the throne room with it. I am now moving forward walking with and closer to God as the next season unfolds. Thank you all for the conference and Reach for accommodating us. 😊❤️

An article from Mike Robinson

HOW TO STOP GOD'S HEALING PROMISE BEING STOLEN!

It can happen! The parable of the sower tells us so! How many of us lose what healing has manifested because His Word has been stolen, and the healing, and is stopped dead in it's tracks? Proverbs 4v20-22 tells us how to focus on the Word of God. "Keep it in front of your eyes and in the midst of your heart".

The Word of God was so clear when I saw it! "The words were framed by the word of God." Hebrews 11v3. For me that was a real attention getter! Then God spoke to me in a dream. "NO CANCER". His Words were in capital letters. I saw what He said but there came a time when I doubted what He said! Thanks to Hebrews 11v3 I decided to 'frame' "NO CANCER". It was then regularly in front of my eyes and soon His promise was grafted in my heart. I had a cancer check up on Tuesday 2nd May. "NO CANCER!"

Testimony

In December 2022 I contacted my doctor as I had severe pains from what I thought was heartburn and indigestion. Usually when I felt this way I would take some Gaviscon and I would soon feel well again, but not this time. I had a phone appointment with my doctor and when I described my symptoms he prescribed a course of tablets and told me to phone him again if I developed any more symptoms. The following day I phoned him. I had developed jaundice and my skin and eyes were yellow. I had blood tests and the results said abnormal as expected, and there were traces of blood in my urine. The pains grew worse and I had uncontrollable shakes three times a day for twenty minutes at a time. My doctor referred me to a specialist gastro doctor at the hospital and I was put on the NHS fast-track system.

Two days before Christmas I had a phone call from this specialist who said I had pancreatic cancer and would send me for two scans and a phone appointment with the surgeon.

“Am I going to die?”

This was a big shock to realise that I may not have long to live, and I looked like death and felt like death. But in my quiet time with God I asked – “Am I going to die?” God replied that He had healed me before and would heal me again. Also, God told me that it was time for me to begin my ministry. Then God brought to mind the scripture from Psalm 118:17, “I shall not die but live and declare the works of the Lord”. Now I knew I was not going to die as God had work for me to do.

Another scripture that spoke to me was Psalm 103:1-5, “Bless the Lord O my soul, and all that is within me bless His holy name. Bless the Lord O my soul and forget not all His benefits. Who forgives all your sins, who heals all your diseases. Who redeems your life from destruction. Who satisfies your mouth with good things so that your youth is renewed like the eagle’s”. These two scriptures I would repeat throughout the day. As it was Christmas, the local Healing Rooms were closed, but members of the team prayed for me. Members of my church prayed for me and with me.

So I prayed... my testimony would be that God healed me

I knew for sure that I would survive, but I expected that surgery was inevitable. I had been praying the results of my scans would show I was clear of cancer and would not require surgery. So I prayed to God that my testimony would NOT be that by the grace

of God and the skill of the surgeon I survived, but my testimony would be that God healed me.

On the 18th of January 2023 the surgeon phoned me and asked me how I was feeling. I replied that I felt good, almost 100%. Then he told me my scans came back clear I didn't have cancer – Praise the Lord! So, from the time my doctor informed me I had pancreatic cancer until the surgeon told me I didn't have cancer, I had no surgery, no medicine or any form of treatment – God healed me.

It was wonderful to be able to attend the Healing Rooms conference in Derby, and be surrounded by other Christians who believe, pray and have witnessed the power of God to heal all our diseases and forgive all our sins. And God has opened the doors for me to lead an evangelistic campaign at my church and declare the wonderful works of the Lord our God. For as God promised me, I would not die but live and declare the works of the Lord. Amen.

Eternal Wall Testimony of the Month

**“One day he was swimming in a local pool
and had a grand mal seizure...”**

19th April 2023

My brother was left with epilepsy after surgery to remove a brain tumour. One day he was swimming in a local pool and had a grand mal seizure. The lifeguard cleared the pool.

My Mom (a non-believer) was sitting in the viewing area and unable to do anything but pray. She recounts that a beautiful young lady stayed in the pool holding my brother's head out of the water so he didn't drown whilst the seizure took hold. Once the emergency was over and the seizure subsided my Mom looked for this young woman to say thanks but she had disappeared without trace and nobody knew who she was. I can only believe she was an Angel sent to keep my brother safe.

Book Review

I want you to meet my Jesus by Roger Hosking MBE

“From angry hands to gentle hands” was how the author described his work with the many young people that came through the doors at The Barn and Happy Hens.

This book tells the simple story of how meeting Jesus can radically change your life. The author shares his journey of a hurting, broken child, restored to a responsible, loving adult who learns to give away the love he has come to know.

‘I want you to meet my Jesus’ takes us on the journey of how the Hoskings’ started opening up their home to many broken and hurting young people, to the founding and running of the “Happy Hens” which became a safe haven and place of love and acceptance for so many, transforming lives. Until finally passing on the baton to BETEL, a Christian organisation that helps to restore broken lives.

It is a very real and honest narration taking the reader through the highs and lows of one man’s incredible life to pursue the dream of converting an old barn to create a safe place for those God sent him to love.

Reviews:

“I count it a privilege and honour to pen these words of commendation and thanksgiving... May you who dare to read the whole story be challenged, encouraged and thankful to keep walking forward with your journey, with your best friend Jesus.”

Jim Wilkinson, Hollybush Christian Fellowship.

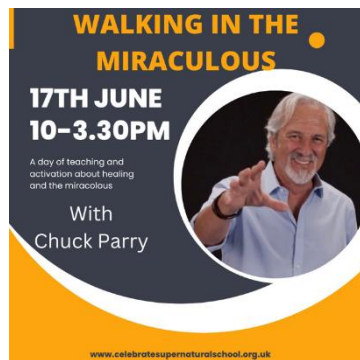

“Roger has a heart of gold, a love for the unlovable and a passion to tell everyone about Jesus.”

David and Di Harper, Top Barn Farm.
