# Healing Rooms England & Wales Conference 2023

AWESOME! The word is used so much today, so often that sadly it has been somewhat devalued. However, AWESOME is the word that describes this year's conference. I saw a post on Facebook that said 'Glorious and powerful Miracles & Healings Service in Derby UK People Saved and so many healings.' Whilst this description is totally correct it only skims the surface of the vast depths of God that we experienced during the two days at Derby.

Jean-Luc Trachsel was our main speaker. On the Friday night he opened by telling us that he saw himself as a small boy who wanted to love and serve Jesus with all of his heart. He spoke about the power in preaching the simple ABC of the gospel, he shared testimonies of how he had seen amazing healings and lives transformed as he followed the leading of the Holy Spirit. The presence and power of the Holy Spirit filled the auditorium, Jesus walked amongst us. People came to know Jesus, others were healed, many were refreshed, their love for Jesus was rekindled. I heard one person say that they felt as if they had been given a blood transfusion and felt the life of God flowing through them. As we wait for your testimonies, I have one to share. During the Friday evening service, I felt the hematoma on my brain that I have lived with for many years was removed, I literally felt it being pulled off of my head. How do I know that it has gone? I know because before that Friday evening I could not move in my head in certain ways without feeling as if I was about to pass out. Those feelings have all gone and I can move my head freely in any direction!

---

... as the darkness deepens the light will grow ever brighter...

---

Jean-Luc encouraged us to come to the King's table to spend time with Jesus, to strengthen ourselves by feeding on the feast that he prepared for us. He spoke of our need to draw close to the Lord as the darkness around us grows more intense and encouraged us to stand against the darkness by drawing everything that we need from the Holy Spirit. He believes that as the darkness deepens the light will grow ever brighter and we will see the glory of the Lord increasingly invading our nations. His cry is Europe Shall Be Saved! Let us join our prayers with him and the thousands of others that are lifting up our nation and all of the European nations in prayer.

Coming back home I have been reflecting on those two days in Derby and the scripture that came to mind was this - 'Take off your sandals, for the place where you are standing is holy ground.' Exodus 3:5. Once again we have tasted and seen the goodness of our God. Let us press in, press on and may hearts be filled with a desire to share the amazing news JESUS IS ALIVE AND HE LOVES YOU!

## Another delegate's perspective on the Conference

The conference at Reach, Derby was an unforgettable and awesome experience which started with a vivid triple rainbow displayed across the sky over the conference centre! The whole venue had been saturated in prayer and praise the day before, and as people arrived their hunger and expectation added to the atmosphere of joy and unity.

The wonderful band led by Angus and Cathy immediately brought us into the presence of God, and into a new level of worship. I wasn't

the only one who cried through the joy of such intimate worship. It was during such a time that Holy Spirit spoke a deeply loving word into my heart that has powerfully changed me.

Veronica Mee, HREW Director, hosted the conference in a way that honoured the delegates, the speakers, and God. This built a platform for Holy Spirit to move in power and love.

One of the conference highlights was the presence of the wonderfully anointed and energetic Eastgate team, who not only ministered in prayer but also served on the prophetic booths. These joy-bringers spoke God's heart to many people, some of whom testified later of how profoundly they were affected by their personal prophesy.

The main speakers – Tim Churchward and Jean-Luc Trachsel – brought not only God's now-word for the conference, but also powerful words of knowledge and great teaching, followed by miracles and healing.

Jean-Luc's words of knowledge were accurate enough to not only describe the condition Jesus wanted to heal, but also the seat where the person was sitting! God's love and power was manifested through their anointing, and nobody could have been left in any doubt that salvation and healing is still a priority in God's Kingdom. The seminar speakers were also outstanding, and the Sozo seminars I attended were taught with such a depth of knowledge seasoned with humour, that I felt it was over too soon.

I was, and still am, deeply affected by attending the conference which was soaked in God's love and His wonderful presence. I wept through much of it, laughed a lot, made new friends and reunited with old ones. I saw miracles and had some personal powerful Holy Spirit encounters. Thanks to all who worked so hard to make the conference happen. And thanks too for the humility of all who spoke, hosted or led worship because you allowed Holy Spirit to take centre stage.

## Testimonies from the Conference

- I have to share another testimony with you, one that thrills my heart. Jean-Luc prayed for my grandson during the Saturday lunch break at Conference. Yesterday was the day the little lad had to go and have his hearing aids fitted. Before they fit them they run all of the tests again to ensure they get the right level of support in place. My grandson sat on my lap and had all the tests. Now the good news, they cannot explain why but he has perfect hearing. No hearing aids required: Thank you Lord Jesus.
- I would just like to say how blessed I was when I attended the Healing Rooms Conference 2023. The teaching was excellent, leading up to powerful anointing and prayer as we were called to the front. The two ladies who prayed for me in my prophecy slot were compassionate and accurate!! Thank you so much to the Lord and to the team!!

See more testimonies from the Conference in the June issue of Encounter newsletter.

### **CANCER HAD NO HOLD OVER A DEAD MAN!**

The Word became flesh and lived on the earth with both His feet firmly planted on the ground! Interesting that the earth belongs to the Lord! It's His earth, and Jesus stood on it! Jesus put mud on the blind man's eyes! His mud! Even on the cross Jesus held His head high-even though He'd been lifted high up on a cross. The cross made sure Jesus was still in touch with the earth and heaven too! God is the lifter of His head and ours too. Jesus always looked to His Father. As the Son of man He had to learn obedience through suffering, otherwise we wouldn't have a saviour! As the Son of God, Jesus didn't have to learn suffering through obedience but He had to as the Son of man! We too have to learn obedience through suffering.

Sometimes the eyes of our understanding have just not been illuminated! That is opened and the scales removed enabling us to See what God wants us to see. There usually comes a time, maybe after possibly twenty or thirty years that we may look back and say "Now I see it." Exactly. That's the way it's supposed to be! God wants us to See what He's saying to us through the eyes of our heart. Our illuminated eyes. Ephesians 1V18.

Mind blowing fact: The One who is the "Resurrection and the Life" lives in you and me when we become born again. That is when we're born again from "Above." Then there's resurrection power invested in us to lift us up "Above" every one of life's circumstances. We don't have to live below them! How did this work for me when I was in a very dark tunnel, in hospital, literally looking death and fear in the face? Total surrender! "Lord, I place myself on your altar. I trust you Lord. You are Good, All the time You are Good. Do whatever you want with me. Take me exactly where you want to take me. I trust you." What Peace! I then had an encounter with the Prince of Peace!

---

## I was empowered to rise far Above cancer, fear and death...

---

Thank God for His Holy Spirit, because I was enabled to ‘reckon’ cancer, fear and death to be dead! Cancer and death ‘then’ had no hold over me. I’m not sure exactly when this was, but during a certain point in my adventure [I think when I’d confessed with “My Mouth” and believed in “My heart” that I was dead and believed it!] I was then empowered to rise far “Above cancer, fear and death” and See them as tiny as a pinhead. Tiny! It was then that I Saw how much Bigger God is! It was then that cancer, fear and death lost its grip on me!

Most of this short episode in my recent life was in hospital, but most of the time; yes, most of the time I was living life “Above” enjoying the presence of God. Righteousness, peace and joy in the Holy Spirit! Unless a seed falls into the ground and dies there won’t be much fruit! Was Mike Robinson dead to cancer, fear and death? Amazingly YES! No resurrection without death! The fullness of the new life we’ve been gifted is better than the healing it produces. David said, “the Lord is my portion,” “the Lord is my strength.” The blessings David and I experienced were God manifesting Himself in person! Filling us with Himself. He’s given us each spiritual blessings by giving us Himself.

Surrender! Reckon yourself dead!  
He’s the lifter of your head!

### Testimony

I’ve just come back from the Healing Rooms conference and noticed a friend of ours was getting tired while walking and had to keep stopping and leaning on people (it was a blood pressure issue and heart arrhythmia) so the other day I prayed for her.

I saw that we went to heaven and someone gave me the keys for the heavenly store house that had all body parts. I opened the door but stayed outside, she went in but I

was describing what she should be seeing - she told me afterwards that the Lord was showing her exactly what I was saying before I said it. **She took a new heart and replaced her old heart.**

The next day she went out for a walk and walked round their park twice without breathlessness, getting tired or having to lean on anyone and even her friends noticed.

We give You all the Glory, Honour and Praise, Father God. 🙌 ❤️ 🔥

## **A Thank You Message from Ukraine**

This is a thank you message from Dmytro/Iryna and Ukrainian/International team. These good people joined us for the Miracles and Healings Nights of 1st February 2023. It was great to have them with us and we were blessed by their presence.

This text was transcribed from a video message sent by Dmytro Kostiantyn and received April 2023:

“Hello dear friends, our dear family,

This horrible year of life on earth on the land of Ukraine when the people living on our land were under the threat of death and destruction we found ourselves, I mean you and us are so close to each other and under the protection of the Almighty from the first day of the war you in England, Wales, Ireland and Scotland with us in Ukraine together we are building the ark of our salvation. You have kept the anointing of the Spirit and the heaven of the Lord open to His mercy and grace and today we are still alive. Your daily prayers for Ukraine and your faith are building this dome over us which has crowned us with life Jesus Christ. With your every prophetic word and action and with your inexpressible size you created impregnable wall for the enemy and we are alight for the future of our people. You are still doing this. We are so grateful to you for the biggest and the most important help and support in this difficult season of life for us. For the sacrifice of time spent in prayers to God who gives life even to the dead and, behold, we are still alive!

May every seeded word of faith sprout with resurrection life and power and signs and wonders in the supernatural healer of many, many in our land and may there be a great harvest.

Blessing of heaven to all of you and to each of you. We love you, Dimi and Ira.

Hugs to everybody. Hugs to each of you. Bye.”

## IAHM Miracles & Healings Nights

Following the success of the series of Miracles & Healings Nights that started in September 2020 HREW are pleased that we have engaged in a third year-long Healing School for International Association of Healing Ministries (IAHM) where we are providing monthly online ministry under their umbrella.

**Next meeting: 15<sup>th</sup> June 2023.**

Remember, your prayers are important. Please note the new season of Miracles & Healings Nights, ask for God's sovereignty on the events, that there would be increased numbers of guests and that much blessing would flow.

In April HREW had 12 Prayer Ministers, 16 guests were admitted but due to technical issues only 14 guests were prayed for. They were very blessed times with some real encounters that brought healing to many. The guests came from Australia, France, Germany, USA, and the UK.

There is no Miracles & Healings Night in May 2023, this is because of the Presence 2023 Conference which takes place over 3 days, 18<sup>th</sup> to 20<sup>th</sup> May. There will be opportunities for prayer on each of these evenings.

If you were not able to see the latest or previous Miracles & Healings Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights, select by date.**

## HREW Website

If you have items of interest or photographs that you would like on your profile page please contact Derek Balsdon: [derek.balsdon@healingrooms.org.uk](mailto:derek.balsdon@healingrooms.org.uk)

As you know each Healing Rooms location has it's own profile pages attached to the main HREW website and these are there to hold key details of the location address, opening times and contact telephone numbers etc. plus any other information, latest news etc. that you want the public to know about you.

***You may find this interesting*** – There are always a high proportion of visitors to the website that look at the "Healing Rooms Near You" page. During the months of November and December 2022 there were 793 visitors to this page. From January 1<sup>st</sup> 2023 up to 19<sup>th</sup> February there were 856 visitors to the same page. What we can read into this is that there are several hundred persons per month looking for the locations of Healing Rooms. In this context it is important that your profile pages are both attractive, inviting and informative.

## Eternal Wall Testimony of the Month

**“I heard God speak the truth of who I am  
In Christ...”**

**1<sup>st</sup> March 2023**

I've been struggling with post lockdown social anxiety made worse by a very negative experience. I really felt a prompting from God to attend a ladies Christian conference and had been battling with fear about doing this. So I sat down and wrote out a list of 13 reasons why I was worried about attending the conference, all of which pushed me out of my 'comfort zone'. Then I sat and prayerfully handed it all over to God. The next day I felt I should re-read the 13 points and as I re-read each point I heard God speak the truth of who I am in Christ to me. As I heard, embraced and believed that truth I felt confidence welling up inside me and immediately booked my place to go to the conference. Now I am excited about attending rather than feeling fearful and insecure. God completely renewed my mind and altered my perspective.

## Book Review

**UNLEASHED: THE ACTS CHURCH TODAY by Gavin and Anne Calver.**

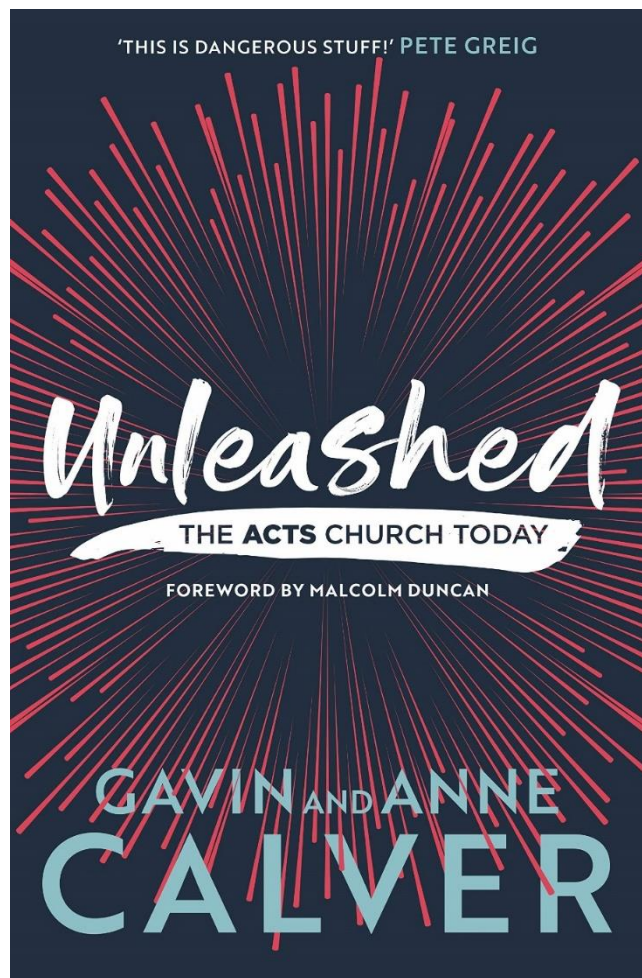

If you would like an increase of God's presence and power unleashed into your life and church, then I encourage you to read this highly inspirational and deeply challenging book. Gavin and Anne Calver reveal how taking a fresh look at Acts is helping them, in their personal lives and in their ministries, to be more Holy Spirit led. Through

seeking God's Spirit, they are more able to help others experience the life-transforming presence of God.

There are 5 parts to this book, *Unleashed*: –Power, –People, –Presence, –Potential, –Participators. While some people consider we are in a 'post-Christian' context, Anne and Gavin believe that we are in a 'pre-Christian' context; being a Christian is like living as a cultural alien. The more secular the world is, then the more supernatural the church needs to be. In our 'pre-Christian' context, God's Spirit can unleash the church into supernatural gifts and a life-changing mission today, as He did in the early church era. The presence of God's Spirit makes a transforming difference to our lives, our ministries and our churches.

Peter can remind us of ourselves, prone to failure, yet still powerfully used by the Lord. In the light of this, *'then who knows what the Lord might choose to do with one of us?'* Peter's effectiveness was intrinsically linked to him being part of the Spirit-filled Christian community. How can our church communities unleash Spirit-empowered people to do God's kingdom work? The Advance mentoring programme is currently helping over 1000 people to become more effective witnesses amidst the people they are in contact with day by day. *'Wherever we find ourselves, that place is where we can make a difference for Christ.'*

As well as being optimistic, Gavin and Anne are also realistic; like with the early church and with Nehemiah, we will face opposition. And like them, we need to stand firm and pursue God's calling, so we need to be braver. Each chapter ends with helpful questions for personal reflection and group discussion, and further reading. It would make a great book for a house group to use as they study the book of Acts. In this twenty-first century, like in the first century, as words, works and wonders come together, lives are wonderfully changed.

*Gavin Calver is CEO of the Evangelical Alliance and an ordained evangelist, regular public speaker and author. Anne Calver is a Baptist minister, speaker and author. Together they have two children, and live in Stanmore, Middlesex.*
