The National Prayer Line – Next Steps

Back in August we announced the introduction of the new telephone system, Acefone, with a single number for all calls. Now following the successful trialling of the new system, we are pleased to announce the expansion of the National Prayer Line team.

From Monday the 18th of October the team will be increased to two prayer ministers on each day. The new team members are volunteers drawn from within the Healing Rooms family and are all trained and experienced in the Healing Rooms ways of ministering healing prayer.

Of recent months the numbers of callers have remained consistent but what appears to be changing is that whilst there are many repeat callers there is also an increasing number of new callers. Hopefully this means the message of hope that the National Prayer Line offers is reaching out to a wider audience.

Prayer needs remain varied and range from the physical to emotional, family issues, in fact the whole range of needs that one experiences in life.

We wish God's blessing on our expanded team; may they know His presence with them each time they take a call, may He inspire them with the words to say and through them bring healing. We know that they will find this ministry a blessing to themselves and look forward to many testimonies of how God has prepared and touched them as prayer ministers.

SICKNESS SOMETIMES RETURNS LIKE A BOOMERANG!

I don't know about you but I know quite a few people that have been declared cancer free and arthritis free, and free from other nasties after attending Healing Rooms and other ministries too. I've spoken to many about this subject. Why did those 'vile things' return with a vengeance? Why? None, none of us was actually able to come up with any conclusive answers! However I feel very certain that the Bible has all the answers!

We know from John 10V 10 that the thief comes to 'steal, kill and destroy'. We're talking about a person here! A spirit person! You know the expression "You can't stop a bird flying over your head but you can stop it building a nest in your hair." The handle of the door is on the inside. Our side, and not on God's side! We also know from 1 Peter 5V8-14 that we're admonished to "Be Alert." That means behave alert! Our enemy is prowling around 'like' a lion who has been into the local fancy dress shop and come out looking 'like' a lion, and

behaving 'like' a lion. Roaring 'like' a lion too. A real lion in the African bush roars in order to cripple it's Sunday lunch with 'fear' so that it can then devour it!

"Stop sinning or something worse may happen to you." John 5V14. "Give no place to the devil." Ephesians 4V27. Now yet another stark reminder from Job 3V25. He, Job, let 'fear' enter through a hole in the hedge of protection around him which he opened, and he was overtaken by a worse thing! "For the thing I feared" was Job's declaration. That's called negative faith! After deliverance and healing, sickness will return according to Matthew 12V43-45 IF! If we were to turn a deaf ear to the possibility that demons that 'steal, kill and destroy' are on the lookout to return to the house which has been garnished and swept clean then we're on very shaky ground!

That's what happened to the poor man in Matthew 12V43-45! He was a saved man but backslid. He chose to return to his previous lifestyle! He opened the door for sickness to come in again! The handle of the door was in his hand and not in God's hand!

"Be Alert!"

In this story, deliverance had taken place but the evil spirit was not easily defeated. He wandered around and around watching for a convenient moment to return to the house that had previously been swept clean, but not filled. This 'demon person' brought with him seven other 'demon persons', seven more evil spirits worse than himself! The clear call from the 'Lion of the tribe of Judah' to us, and to those we minister deliverance and healing to is to "Be Alert!"

News from around the Regions

A Note to all Regions

If you have items that you think may be of interest for the monthly newsletter please forward these to Carole at HREW headquarters. Items of interest can be about your activities, testimonies, personnel, in fact anything that can be shared with the HREW family.

An inspirational message from South East Intercessors Healing Rooms:

Dear HR family,

We have been really blessed to come together in the South East each month for intercession. We are called SEIHR which stands for South East Intercessors Healing Rooms. Several Healing Rooms meet on Zoom and pray in the Spirit for about an hour and the Lord gives us words and pictures which we then release and pray over the Healing Rooms.

Last time was a great encouragement and the teams were excited to release the words into the whole of HREW. So here they are!

- “I had a picture of a blank book, the pages are turning and God is writing a story for each individual Healing Rooms” from Sheena at Havering.
- “I saw a picture of the Lord putting flesh on bones, breathing life into us and those we minister to as in Ezekiel 37 v 5” from Sandra at Mid Suffolk.
- “A picture of islands joining together to become a great kingdom. Networking, partnerships of Healing Rooms” from Sandra at Mid Suffolk.
- “I had a picture of individual gardens which I sensed to be the individual Healing Rooms. Each garden was different in size and in environment and what was growing. Some had flowers, some vegetables or a fruit or a mixture, but each was different. There was one which looked full of wheat. Each 1 was being tended and cared for in the way each needed and was best for them - watering, fertilising, pruning, reorganising, harvesting in different seasons. Each garden flourished as it “allowed” the expert gardener to give it the attention it needed” from Jan at Havering.
- “Greenford Healing Rooms had its very 1st meeting and God showed up! Please be encouraged that God is doing new things”. Fiona at Greenford.

We pray that you would be truly touched by these words and encouraged. Paul tells us to “rejoice always and pray unceasingly” in 1 Thessalonians 5 v 16 and to “pray at all times in the Spirit.....and intercede for all the saints” Ephesians 6 v 18.

We join together on Zoom on the 3rd Wednesday of every month. We invite you to join us if you are free, wherever you live in the UK! Intercession is for all the saints to enjoy and we see God speaking and strengthening our Healing Room family as we come together on behalf of our Healing Rooms. All for one and one for all!

Please contact : sarah.lander@healingrooms.org.uk for Zoom codes.

Much blessings SEIHR.

IAHM Miracles & Healings Nights

Following the success of the series of Miracles & Healings Nights that started in September 2020 HREW are pleased to announce that we have engaged in a second year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella.

The second of these nights was on the 9th October 2021, the Miracles & Healing Nights are broadcast via YouTube and the individual prayer by Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer.

The speaker for the main event was Jean-Luc Trachsel. Jean-Luc Trachsel is a Swiss based Healing Evangelist who personally encountered God at a very young age. He believes that nothing is impossible. He actively works to bring unity among Christians and to proclaim the Gospel to this generation with mercy and compassion. His sensitivity to the Holy Spirit allows the manifestation of the supernatural with signs, miracles, healings and salvation.

“It was the best so far!”

On this second night of the new season HREW had a team of 20 prayer ministers, these were made up into 5 prayer rooms, three prayer ministers and one intercessor per room. At the end there had been 16 persons wanting prayer and these came from as far afield as the USA, Germany, Canada, The Netherlands, Denmark, Switzerland, New Zealand and the UK. The prayer rooms were opened at 6:30pm and closed at 8:30pm. The team gave many testimonies of God's healing and some of these are shown below. Although the number of guests was fewer than before one of our prayer ministers said of the time with the guests “It was the best so far”.

Testimonies from the M & H Night of 9th October 2021

- A lady with hormonal imbalances and groin pain. We had the word ‘distress’ and that anger was stirring up her system. She confessed to unforgiveness but was willing to forgive. We said that she should go through with the Holy Spirit all the people who had hurt her to come into fullness of forgiveness. She said she would do this.
- A lady who had a painful divorce which has left her 13 year old son with heartbreaking pain and migraines. We spoke love and tenderness and covered her life and her son's. We prayed for hope and healing. She was very grateful for our prayers.
- A lady who wanted emotional healing from past hurts. We broke the power of unkind words and that God knows the plans He has for her.

With all of the 3 sisters above we felt that it would be a journey for each of them. None of these situations was an instant fix but a trust in the Lord to go with them into a future with Him into full healing and wholeness.

- Our first guest asked for a restoration of peace. He had lost his mother-in-law and mum within the last 3 weeks. The scene was set with John 14.27a. After waiting on the Holy Spirit, more words from John 14 and Psalm 27.10 were prayed into his life as well as a fresh revelation of the Father's love. His demeanour visibly changed. When asked if anything had changed he said, 'Today I have been empty, numb and lethargic. Now I have the return of hope and peace'. Thank you Jesus. We were just about to draw the ministry to a close when one of the team shared the word, 'honour'. This visibly moved him and he shared that it spoke of his mum. The Lord ministered to a fear he held and he was comforted and was so grateful. Praise be to our God.
- A lady regarding emotional breakup with boyfriend. Given Eph. 6 "breastplate of righteousness" plus seen with a beautiful veil over her head in Biblical colours. Jer.1:5 that God had set her apart for something special and that He was calling her to "come to Him" as in Matt. 11:28, and giving her a bunch of roses. She was very encouraged!
- Prayed for healing of a skin condition of a lady and for her bones to be strengthened. Spirit of infirmity told to leave. Fill her with the HS instead. Given Prov. 3:5-8 and Psm. 46:10 to "be still and know that He is God" and dwell in a peaceful place. Saw faith arise in her and she left smiling.
- A lady wanted some prophetic words. One of us had a picture of the man in the Bible let down through the roof by his friends and the guest covered in white paint. That she would marinate in the presence of God. Another saw her with a large heart of LOVE that would cast out all fear. That she would minister with this to others. A third saw her as a little girl alone - but Jesus was there who saw her unhappiness and tears. He said she is beautiful and loves her and will use all her experiences. To be more like a child now and sit on Father's lap. Listen to His heart which He will give you. Psm 46. She will be blessing people and they will really receive.

Remember, your prayers are important. Please note the new season of Miracles & Healings Nights, ask for God's sovereignty on the events and that there would be increased numbers of guests and that much blessing would flow.

Eternal Wall 5 October Update!

So far, 614 of you have collectively given £285,000 to start building Eternal Wall since the campaign began on 13 September. **Thank you!**

We have created a bridging target of £1m here on the Crowdfunder site to help make the campaign more accessible to new supporters. This will pay for the first 10 sections of the wall.

We are having promising conversations elsewhere and are full of faith as we press on and believe for a total of £2.5m overall to start building.

"What an absolutely incredible, ingenious, audacious project. What a privilege to play a small part in the establishment of this national monument. Jesus answers prayers!!! Certainly!!! And in so many amazing, wonderful ways. And the whole world should know it. And this is one extraordinary way for us to work together to tell the nation!!!"

The response to this campaign has been amazing; a movement of people is being raised up from across the UK and beyond. We have heard so many great stories. One church asked every member to bring their loose change and raised over £1,000, a local farmer is selling his eggs on the side of the road, and others have made contributions big and small. Everyone is doing their bit to make hope visible to the nation.

Thank you to everyone who has left comments on the Crowdfunding page too:

"[I] Love this project, the life of a believer is built on prayer, their own, those that have gone before them & Christ's prayers for us before he walked on earth, while he walked on earth & now into eternity as he stands triumphant in heaven interceding for us. The bible encourages us to "write down & remember what the Lord has done for you" (so you don't forget). I couldn't think of a better way to give Him glory. Be blessed & prosper!"

that her voice was back"**

Answered Prayer #16145

Following a surgery on her thyroid glands some years back, my mother, age 80, lost her voice. To speak, she had to whisper. She has always been a very vocal person, speaking on the phone to her numerous friends and having them over for a chat. In a way she is the counsellor/advisor of the extended family. Losing the power of her vocal cords was a tremendous blow to her quality of life. This went on for several weeks. The doctor explained that during the surgery, they had accidentally cut

through a nerve leading to the vocal cords and thus, she might never get her voice back.

I prayed for my mother. I laid hands on her throat and asked Jesus to heal her and revive the vocal cords. The following day she called me and told me with a strong and firm voice, that her voice was back. It was truly amazing and we both agreed it was yet another prayer answer. What was even more fascinating was the fact that the day I prayed for her was Good Friday of 2016.

Featured Christian Artist

We are pleased to feature works by the Christian artist Sarah Bookless. Sarah's inspiration is to be led by the Holy Spirit. On her website she says –

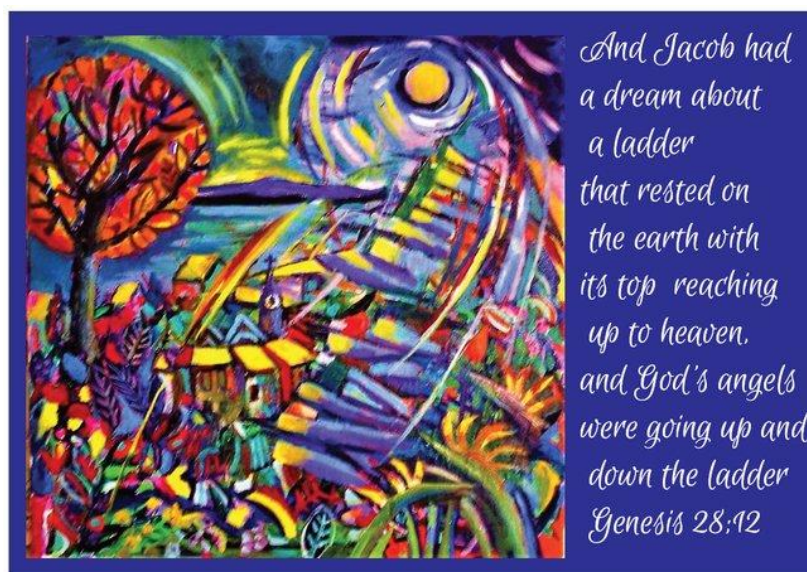

The main aim for my drawings and paintings is to be led by the Holy Spirit... In Psalm 19 verse 1 we read:

"All Heaven declares the Glory of God and the skies display His craftsmanship"

The late poet Gerald Manley Hopkins 1844-1889 also shared this same love of God and Nature in his poem, "Glory to God for dappled things...he fathers-forth whose beauty is past change...Praise Him". I have also been greatly influenced by the Artist and poet William Blake 1757-1827:

"To see a World in a Grain of Sand and a Heaven in a Wild Flower hold Infinity in the palm of your hand and Eternity in an hour "

So whether I'm painting a landscape or simply sketching the smallest sparrow my main objective is always to glorify God in all my artwork.

This picture is reproduced by kind permission of Sarah. More of her works can be viewed on her website - www.riverbanktreegallery.co.uk
