**HEALING ROOMS ENGLAND & WALES
NATIONAL CONFERENCE**

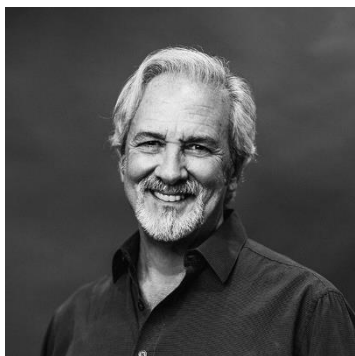

12th and 13th APRIL 2024

HREW NATIONAL CONFERENCE NEWS FLASH

Healing Rooms England & Wales National Conference is now confirmed as taking place on the **12th and 13th April 2024**. The Conference venue is:

New Life Church
The Ridgeway Centre,
Featherstone Road Wolverton Mill,
Wolverton, Milton Keynes, MK12 5TH

The main speaker for the 2 days will be Chuck Parry. **CHUCK PARRY** came out of the psychedelic drug culture of the 1960s to give his life to Jesus through a radical

personal encounter in 1972 in the wilds of Colorado. His supernatural relationship with God grew for five years before he met a single Christian; he later came to an understanding of salvation through Holy Ghost prayer meetings during the Charismatic Renewal of the 1970s. His life and ministry are marked by miracles, which include seeing food multiplied, the sick healed, and the dead raised. He currently serves as Director of Bethel Healing Rooms in Redding, California. Learn more at www.chuckparry.com (*Ctrl and click*).

The worship will be led by “Cath & Angus” of Halifax in Yorkshire. Cath and Angus MacGregor are worship leaders and songwriters. Their heart is to pursue, and enjoy, intimacy and encounter with God and to co-labour with Him to establish His Kingdom on earth, as it is in Heaven. Their latest adventure, The Dwelling Place Trail, takes them across the UK into people’s homes to worship, warfare and soak in God’s presence, pursuing healing, freedom and breakthrough for all.

There will be a number of seminars, plus Prophetic Booths and side exhibits by HREW Partners.

Further information will be available on the HREW website from where tickets can be booked from early December 2023.

Chuck Parry in Bradford June 2023

Have you ever had an encounter with Jesus that has been full of joy, peace and hope? Hopefully most of our encounters with Jesus are like that! Our experience of being prayed for by other people can vary, some leave us hope filled, and others not so much.

In June we at Celebrate School of Supernatural Ministry, Bradford (CSSM) invited Chuck Parry, director of Bethel Healing Rooms, Redding, USA to do a number of events including a School of Healing. None of us were prepared for what occurred. Chuck's gentle manner, joy filled humour, Biblical teaching and amazing testimonies invited people into an encounter with Jesus that left you full of hope, joy and peace. I've sat under a lot of great teaching over the years, but it has been rare to find someone who walks with the level of power and authenticity that Chuck brought.

Delegates and students from CSSM found they left encouraged and believing in the possibilities of all God can do. We saw breakthrough healings in a wide range of conditions. Such as Bill whose tinnitus was completely healed. Or Alison who struggled to walk with the pain in her hips and it completely went and she could walk again.

Chuck's teaching not only informed but equipped – it did not feel like only the special few could do amazing miracles or healings but that anyone, who simply recognised and partnered with the presence of Jesus in any situation, could do so. Those who came to any of the events Chuck led left encouraged, with their faith raised, increased hope and the ongoing effect that more people would encounter Jesus as we pray, as well as more healings and miracles seen.

Breaking Ungodly Vows

One thing I have discovered in the healing ministry is how an ungodly vow can keep a person in bondage and block the process of healing.

I was teaching a group of Ugandan pastors on the power of forgiveness when one of the pastors commented how he struggled to forgive. I asked him if he had made a vow to 'never forgive', and he replied that he had, so I led him in a prayer of repentance and then we broke the vow in Jesus' name. After this, the pastor went to see a person he struggled to forgive and told them that he had forgiven them. He was set free as a result of this vow being broken and his heart now willing to forgive.

There was a retired man who had worked in the military and had struggled to connect his heart to God. He was an elder in the church and prayed 'intellectual prayers' rather than from the heart. I asked the Lord to reveal if there was a block. Instantly, the man realised that he had made a vow to *never show his emotions* to anyone after he had

been hurt. So we broke this vow in Jesus' name and I asked him if he was willing to open his heart to Jesus. For the first time in his life, he agreed to welcome Jesus into his heart. He experienced the warmth of God's love in his heart and said he felt like a newborn baby.

Vows can block us from hearing God

Vows are powerful and can keep us in bondage especially if they are said in haste when feeling angry, hurt, upset or rejected. Vows come about when we say: *'I will never... I will always... or I promise that... I swear by...'* and are like bolts coming across the doors of our heart. Vows can block us from hearing God and from receiving healing. There was a lady who repeatedly said, *'I never hear God...God never speaks to me!'* After she broke this vow in Jesus' name, she immediately wrote a prophetic word from the heart of God. She was astonished how she heard God so easily and this was the beginning of her communing with Him.

In the same way we break a curse, we break ungodly vows, in the powerful name of Jesus! *'I break this vow in Jesus' name!'* Some people may struggle to forgive themselves because they have said *'I will never forgive myself for...'* in which case this vow is to be broken in order for them to forgive themselves. Healing and freedom may flow as the doors of the heart are unbolted through the breaking of ungodly vows.

... she had made a vow to 'never' be like her mum

During a ministry session, there was a lady who struggled to look in a mirror to forgive herself, and the Holy Spirit revealed she had made a vow to *'never be like her mum'*. The truth was she had become like her mum and hated herself for this. After she repented of making this vow, she broke the vow to never be like her mum. She testified that a cord was broken from her innermost being and a sense of freedom experienced. After this, she could look in the mirror and forgive herself. At the end of the session, she laughed and smiled as her countenance changed.

A lady asked for prayer when she realised that she could pray to Father God and the Holy Spirit but couldn't pray to Jesus. So I asked the Holy Spirit to highlight the root behind this issue. Straight away she had a memory of when she was in primary school and bullied by a group of girls. As a result of her hurt and feeling rejected, she vowed that she never wanted friends again and could cope on her own without them. She forgave her friends for what they said and did to her and broke the vow she made. After this vow was broken, we invited Jesus into the scene of the memory. Instantly she saw Him smiling and laughing with her and felt He was her best friend. From then on she had no problem praying to Jesus.

A lovely young lady had an identical twin sister and at a young age, they both had made a vow to be best friends forever. This was fine until her sister got married and then the young lady experienced a sense of loss and grief, as her sister was no longer her best friend. After we broke this vow, I encouraged her to give her sister back to God and bless her sister's marriage. She felt a peace as her grief lifted, and not only that, but she was free to meet her husband-to-be.

Jesus said we are not to swear by anything but let our 'Yes' be 'Yes' and our 'No' be 'No' for anything else comes from the evil one (Matthew 5:36). James repeated Jesus' words: 'Above all my brothers, do not swear- not by heaven or by earth or by anything else' (James 5:12). Ungodly vows are easily made in anger, hurt, pain and resentment. They are like bolts on the door of our heart until we recognise and break them, and then freedom and healing may follow.

News from around the Regions

Congleton Healing Rooms

There is a fresh opportunity to receive prayer for healing in Congleton. On Tuesday 19th September Healing Rooms @ Costa Coffee was reopened by The Revd Ian Enticott, the Rector of All Saints Parish, Congleton and the Rural Dean. Ian mentioned a couple of miracles of healing he had witnessed, and prayed that miracles of healing will take place in Costa. Veronica Mee, Director of Healing Rooms England and Wales, shared in the reopening as well. Several people attended, and some of those present also received prayer.

Every Tuesday, from 4:30pm – 5:50pm a team of Christians, from different local churches, will be available to pray with anyone who asks for prayer (team members will always be wearing Healing Rooms lanyards). This ministry is not just for Christians, anyone is welcome to come and receive prayer for God's help and healing for their lives. The local Healing Rooms team is very grateful to

Costa and to Tesco for accommodating this venture. To find out more visit www.healingrooms.org.uk (Ctrl and click).

A message from Fiona Bruce (Congleton's local MP)

"I am delighted the Healing Rooms are re-opening in Congleton. This is still a valuable Ministry, and a tangible way of reaching people with the love of Christ. May God bless all of you involved and bring many local people along who need healing. And thank you for the several times you have prayed for me - and Christ has answered your prayers!"

IAHM Miracles & Healings Nights

HREW are pleased to be engaged in a fourth year-long program of "Miracles & Healings Nights for International Association of Healing Ministries (IAHM) where we are providing monthly online ministry under their umbrella.

2023	2024
08 November	17 January
06 December	14 February
	13 March
	17 April
	01 May
	12 June

Remember, your prayers are important. Please note the new season of Miracles & Healings Nights, ask for God's sovereignty on the events, that there would be increased numbers of guests and that much blessing would flow.

In October HREW had 14 Prayer Ministers, 13 guests were admitted. The evening was very busy with a steady flow of guests until almost the close of the session.

The Prayer Ministers were very blessed with some real encounters that brought healing to many. The guests came from USA, Germany, France, Sweden and the UK.

Testimonies

- We prayed with a gentleman who shared concerns about a 'winter' virus. As prayer commenced he expressed a sense of a 'real rise in the presence of the Holy Spirit'. The words prayed he shared were 'right on the money'. This opened up another avenue for prayer which further blessed him.
- A German lady shared that she was suffering from chronic fatigue which had led to the loss of her job. Prayer revolved around her receiving the gentle warmth of healing for her 'icy patches'. She was visibly touched by the Holy Spirit and hope from scriptures shared began to brighten her whole demeanour. This encouraged her to share future desires which were prayed for. She was deeply touched and still receiving as the ministry time concluded. She was encouraged to continue to abide in Holy Spirit's presence.
- A lady from Brazil shared she'd been suffering from chronic urticaria for 15 yrs. She had been treated with many medicines over that time with frequent changes but nothing was helping. Through prayer, the Lord began to reveal incidents and pictures which she then elaborated on. This lady then became aware that her hope was Jesus, and she had a personal revelation of the root of the affliction. Holy Spirit revealed God as her shock absorber and about the roots of her affliction which were prayed for. The prayer time concluded with her smiling and sharing that her hands were pulsing as evidence of God at work through Holy Spirit.

If you were not able to see the latest or previous Miracles & Healings Nights the evenings can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights, select by date.**

Eternal Wall of Answered Prayer (EWoAP)

Eternal Wall Testimony of the Month

“The consultant... shook his hand and said ‘you are a miracle’.”

6th September 2023

My Dad was age 78 when diagnosed with a tumour in his bile duct, it was inoperable due to his age. The consultant gave him a maximum 2 years to live. I posted a prayer on a prayer wall & after a year the tumour had gone. The consultant when the results came in stood up shook his hand and said, "You are a miracle". He lived 'til 94. He was healed by the blood of Jesus who died for us all. Praise the Lord

Malta Report

Mike and Beverley Robinson recently visited Malta Healing Rooms to run a refresher course. Thirty-five very hungry people attended. The whole weekend was very successful simply because the presence of God was so evident. Malta Healing Rooms are predominantly charismatic Catholics with the catholic bishop very much in support of the work they're doing. We had the pleasure of meeting him to talk about healing and to pray together. He had previously endorsed my book *Swordtalk* which for me was huge encouragement. Dr Joseph, one of the directors of Malta Healing Rooms, shared an extraordinary healing miracle about an 83 year old lady who has

caused quite a stir on the island, especially amongst the medical fraternity! Not surprisingly so!

Testimony

Eighty three year old lady in Malta encounters the miraculous healing power of Jesus!

Well, it all started in March 2023. My son asked me to see an MRI scan of an 83 year old lady who happened to be the grand mother of his girlfriend. I was literally shocked as it showed a mass in the maximal (right side of face) which was invading the skull bones in all directions cranially, caudally, laterally and medially. I compared it to a large octopus in a small matchbox.

Then I spoke to her son and told him about the seriousness of the situation and that if she was my mother I would just keep her comfortable and pain free (the hiss of the serpent silenced). He said that they booked her to see the oncologist and I told him 'yes, go ahead'.

They went to the oncologist and he said that she had 20% chance. I agreed with him to take her, after all he was the expert given that she would also agree. She consented.

I asked the family whether they would like her to be prayed with at Healing Rooms. She agreed and came over with her son. We took the opportunity and we prayed with them both. During prayer we discovered that there was a blockage, unforgiveness towards her daughter. We explained to her that unless she forgave her our prayers would be useless. By grace she accepted and forgave. After confirming and reassuring ourselves that she forgave her we prayed.

In May she went for a radiotherapy course which was once a week for 6 weeks. She did the 2nd MRI in August 2023. They showed me the second report and it was as if it belonged to another person. Not only WAS THERE COMPLETE RESOLUTION OF THE MASS but there was ALSO BONE REMODELING AND DENTAL RESTORATION IN THE FLOOR OF THE MAXILLARY SINUS WHICH MEANS THE ROOF OF THE MOUTH.

LET us remember that the cancer had destroyed the latter aspect of the facial bones and invaded the fat pad of the buccal space. Never, ever have I heard that such bone repair can occur concurrently while the patient is being treated for her cancer let alone the eradication of the tumour itself.

This is God's work. To Him be the honour and glory forever and ever.

Dr Louis Joseph Zammit, Malta
