CHOICES DETERMINE DESTINY - By Mike Robinson

Opportunities are doors of choices that open for our benefit. Many of us miss those open doors because we do not realise what is waiting for us. Later we see what could have been ours. "It's better to be ready for opportunities when they come than pray, they come." Dr Edwin Louis Cole. You and I are the president of ourselves by the choices we make. I am the captain of my destiny by the choices I make. Next to God's gift of salvation His next most precious gift is Free Will. In awfully bad English we can choose right or we can choose wrong!

Change is a choice

We are faced with huge choices right now. We can choose right or we can choose wrong. Many are taught wrong and thus believe wrong and yet they hold onto it so strongly that they would rather stay wrong than admit it and change. But there are times when change is vital. I have had 52 years of married experience and for more years than I can remember I have been trying to change Beverley from being this to that! Worn out trying is an understatement. I gave up trying because she told me the more, I try the more trying I become! You and I can change no one, however hard we try. Change is a choice. Choose to change and the Holy Spirit will do the changing!

There is an old story of a ship's captain who one-night saw what looked like the light of another ship heading towards him. He instructed the signalman to flash a message to the other ship." Change your course ten degrees south." The reply came back "Change your course ten degrees north."

The ship's captain replied answered, "I am a ship's captain. Change your course south." To which the reply was, "I'm a seaman first class. Change your course north." This infuriated the ship's captain, so he signalled back, "I say change your course south. I'm on a battleship." The reply came back, "Change your course north. I'm in a lighthouse."

Refusal to change brings disaster! "The old has passed away, the new has come." 2 Corinthians 5 v 17. It is time to change course. It is fair to say that we have been cornered by our current circumstances. Coronavirus! No! Cornered by God, not by coronavirus because coronavirus is not sovereign. God is. Who is the Chief cornerstone? Jesus is! Then you are exactly where He wants you to be. Cornered! No longer are we required to face the corner any longer but to turn around and see the bigger picture that is before us. His Kingdom coming upon the earth as it is in

heaven, that is the bigger picture. Jesus' name is far above coronavirus! The latter rains are about to be poured out. We might miss it if we go on facing the corner! Change might first mean repentance for some of us and then best foot forward. Move on and leave the past behind.

God's greatest gift to us is His Son

Luke 9 v 62. No one looks back once he has put his hand to the plough, he is not fit for the Kingdom of Heaven. Paraphrased. It is time to press in as with a hot iron and pray for the leadership of HREW. Please step up a level and pray regularly and violently in tongues. God's greatest gift to us is His Son. Salvation. Jesus greatest gift to His church is the Holy Spirit. The Holy Spirit's greatest individual gift to the individual believer is speaking in tongues because it is the only 1 Corinthians 12 that builds up the individual believer. Our own very private 100% perfect prayer language! I am sure we all need plenty of building up right now! As you and I step up a level, and step up praying in our own private prayer language the Holy Spirit will I believe show the leadership of HREW how to change and what to change and that applies to us as individuals too. For such a time as this! Pictures and words I'm confident are going to be downloaded from heaven!

Are you a battleship or are you a lighthouse?

News From Around the Regions

Weymouth Healing Rooms

We are pleased to announce that we are opening up to the public on Zoom from 21st September 2020.

We will be available to pray for people via Zoom on the 1st and 3rd Mondays of the month. The team will be meeting at 7pm and 'guests' joining us from 7.30 onwards, we aim to finish at 9pm. Access to the login will be via our HR's mobile number 07503 461160.

The team who are from various churches in the area will let their contacts know, and we have also informed the CAP Centre Manager, who is already well aware of the Healing Rooms Ministry. At times CAP Centre clients may wish to access us.

We have had two trials with the team to date, which went really well and we have sorted out some minor technical issues. It will be interesting to see what response we have over the next few months as the Ministry becomes more established!

Blessings - *G & S Winkley*

HREW and IAHM

As we reported before, following on from the successful partnership with the Presence 2020 conference we have been asked to engage in a year-long Healing School for International Association of Healing Ministries (IAHM) where we will be providing monthly online ministry under their umbrella. The first of these nights was on the 12th September 2020 and the second on 3rd October 2020. The Miracle Nights are broadcast via YouTube and the individual prayer by Zoom. Full details of the night are available from the IAHM website: <https://healing-ministries.org/>. On the website you will find both the YouTube link for watching the speakers and the log-in details for those wanting prayer.

12th September 2020

The first of the speakers was Anne Christiansen. Anne and her husband Stephan are the senior pastors of the Jesus Church in Oslo, Norway. They are the founders of the evangelisation movement “Jesus Revolution”. The vision of the Jesus Revolution is stated as – “We long to see young people around the world being met with the love and presence of God.”

We burn to see salvation and healing spread

We burn to see salvation and healing spread to the nations of Europe and the world. We believe that a generation is rising up with a different boldness and faith. We believe that the harvest is plentiful, and that workers need to be trained and sent to enter that harvest. We believe in the local church. One of our main activities is to equip youth in local churches to reach their cities with the gospel

3rd October 2020

The main speaker for the 3rd October was Tom Crandall. Tom Crandall is the Youth Director of Young Saints at Bethel Church in Redding, CA. He and his wife Leslie have served together in full-time youth ministry for over eighteen years, of which nine of them have been at Bethel. They have two amazing children, Joel and Addie and two Labradors named Bailey and Rocky. Young Saints is a thriving youth ministry dedicated to fuelling local and global revival and empowering teens to be a supernatural witness of Jesus.

Tom’s passion is to see a generation encounter God

Tom's passion is to see a generation encounter God, discover their identity and send them as revivalists to impact their world. He oversees and instructs our next generation of leaders by teaching the youth pastors' track in Bethel School of Supernatural Ministry, which is dedicated to raising up the next generation of youth pastors, as well as classes on evangelism where students are equipped to preach the Gospel with signs and wonders that follow.

On the first of the Miracle Nights we were privileged to pray for 23 persons from many countries including, the UK, USA, Hungary, Moldova, Ghana and Belgium. A number of healings were reported and some of these testimonies are included in the Testimony section at the end of the newsletter.

On the second of the Miracle Nights we were privileged to pray for 30 persons from 12 different nations. A number of healings were reported and some of these testimonies are included in the Testimony section at the end of the newsletter.

If you were not able to see the last Miracle Night on the 12th September or the 3rd of October 2020, the evening can still be viewed on YouTube. The link to access this is on the IAHM website under the heading **Miracles & Healings Nights, 12 September: and Miracles & Healings Night, 3 October:**

Testimonies from the Miracle Nights

These testimonies are a sample from some of the healings that took place on the IAHM Miracle nights and were reported by the prayer teams. Individual prayer takes place via breakout rooms in Zoom.

We prayed for a three year old boy who was in a wheelchair - he could not speak either. As we prayed he responded so positively. His face came alive and he made noises and kept turning his face to his Mum. She said, 'Just listen to him, he doesn't make noises like this!' It was so good to see Jesus connecting with this little boy.

His face came alive

We prayed for a young lady with a blood condition. As we prayed she started laughing and laughing, then coughing. We encouraged her to cough it out!! She looked radiant. She was given a scripture which was the same one she had written in her journal that morning.

Another lady was given a word of knowledge about a disruptive home and marriage relationship which turned out to be right. She received prayer for this as well as the physical issue she presented us with. Which to us was probably symptomatic of the home situation.

Miracle Nights future Dates

HREW have been asked to engage in a year-long Healing School for IAHM where we will be providing monthly online ministry under their umbrella. HREW will be recruiting prayer teams from across our National Healing Rooms in readiness for a commencement in September 2020. The confirmed dates for the “Miracle Healing Nights” are:

2020	2021
14 November	16 January
12 December	13 February
	13 March
	17 April
	29 May
	12 June

The Wall of Answered Prayer (WoAP)

All of the HREW testimonies are automatically sent to WoAP and HREW are developing closer links with this organisation. It has been recently announced that the organisation has changed its name, it will now be known as - Eternal Wall of Answered Prayer (EWOAP). The EWOAP is envisaged as a “A National Landmark of Hope”, a piece of architectural sculpture built on the outskirts of Birmingham about Jesus. With the land now secured, building will begin in 2020, Planning Permission has also now been granted. Made of a million bricks with each one representing an answered prayer, the Eternal Wall has three aims:

Preserve the Christian Heritage of our nation

God has faithfully and powerfully moved throughout the history of the UK, whether by answering the prayers of St Augustine in the 6th Century, to the millions of people who queued up outside churches to pray for the men on the beaches of Dunkirk. We want to celebrate and remember all the prayers God has answered throughout our nation’s history.

Ignite a faith for prayer on a national level

Imagine everyone in the country having free access to a database of a million answered prayers. They can type in whatever storm or situation of life that they’re going through, and they’ll be able to see first-hand the God who has done it before, and is more than faithful enough to do it again. Their faith will be lifted and encouraged.

Reveal Christ to the nation

Around 500,000 journeys will travel past this monument every week, and we estimate that 150-200,000 people will visit this site annually. We hope that as people interrogate the answered prayers and comprehend the colossal nature of what they are witnessing, they will personally encounter the God who answers.
