

We prayed for a lady with endometriosis - she was due to see the specialist again at the end of this month. Her prayer was that she would be healed before the medical appointment. After prayer she said she had felt warmth and a throbbing feeling in her stomach!

We prayed for a young boy who could not communicate but as we prayed for him and told him how much Jesus loved him his mother said she could tell he had engaged with what we were praying and believed Jesus had touched him. They both came back for ministry the next night, this time with other members of the family joining in.

We prayed for a young lady who had chronic digestive problems, as did many of her family members. She was the only Christian in the family. The situation was causing her great distress. She was desperate. We gave a word at the end of the prayer session that there was an Angel with a sword in his hand beside her, cutting off the affliction. All of a sudden her face lit up with light and hope as she said, "Just this morning I sensed an Angel with a sword in the room with me!"

A mature lady from the UK who requested prayer for physical and inner healing. She had pain in her right breast, sometimes in her chest, and sinus problems with pain behind the right eye. She engaged with prayer for breaking soul ties connected with childhood abuse from great-grandparent and several others, through forgiving and releasing. Received the purity of Christ and healing of the memories. All physical symptoms were broken off and she was visibly released.

A lady from Canada requested prayer for mental health, wanting peace and freedom from headaches. She said there had been a minor incident (of assault) in her past and she had shut down after that. Her demeanour was of being unloved and uncared for. Gently ministered the love of God to her, took her through forgiveness and releasing of the one who had interfered with her, with assuring her of how much the Lord loves her. She was given Rom 15:13 The God of Hope fill you with joy and peace in believing and encouraged her back to church to continue her healing journey. She left with a smile and said she was feeling better.

A lady from Japan, mature Christian diagnosed with gallstones. No pain since March as she had changed her diet, and lifestyle. Commanded gallstones to go and complete healing to be released. Asked her to reach out her hands, as if to receive from the Lord and she did so, just like the woman with the issue of blood. She received from the Lord and looked very happy.

One of our guests had had a stroke and still hadn't returned to full health. One of our team had an empathetic sense of where healing needed to take place and the daughter, who was interpreting for us, stood in the gap and placed her hand as directed. Later she shared that was the exact place her mum had been told the stroke had occurred.

Our last gentleman had difficulty joining the breakout room but when he eventually did he seemed very restless/agitated as he was constantly on the move. He had two needs which we prayed into declaring healing and a possible strategy from God for him to weigh. Suddenly, his moving about stopped, he settled in a chair, a big smile lit up his face and he confessed to 'Joy is returning to my heart'. Praise the Lord.

A lady who had just finished university and wanted to know her next step with the Lord, also some mental health issues. Gave her Jeremiah 29 v 11, Matthew 3 v 3 and Ps 31 v 10 and prayed them in. Also advised her to relax in God and listen and enjoy Him. She left feeling much less burdened.

A lady from UK. She is a Christian and has been supporting someone with troublesome spiritual attacks and asked for tools to help her minister. She was encouraged to use her neglected speaking

in tongues and when asked if she regularly put on the armour of God, seemed not to appreciate the importance of doing so. She experienced both of these and was overwhelmed with the spirit as she left.

A lady from the USA injured her right hip two and a half years ago and injured it again causing lower back pain. She had also lost contact with her Christian faith. Broke her spirit of fear and told the bones, muscles and tendons to be strong and healed in Jesus Name. Also we prayed that she would know God's love in her life once again and for her family life. She came in weeping and left full of smiles and said, 'My muscles don't hurt now!'.

A man from the USA asked for prayer for his brother, to return to God. There had been much conflict in the home from him, for healing of his emotions, to stop drinking and mend the conflict in the family caused by him. We prayed these in. Also prayer for their mother who had cataracts and thyroid problems. We ended with prayer for him, that anxiety would leave him and that he would be at peace so he could show the joy and peace and Jesus' love to his brother. Left at peace.

Lady with auto neurone breakdown. Given Is. 54:15. Will have victory over this attack. Saw a breakdown in connections in her body which were causing imbalance. Commanded these connections to be reinstated and for her being to be in complete balance as Father God created it to be. Blessed her with peace and joy in Jesus' Name. She left positive that her situation would change.

Lady from Luxemburg who had suffered from extreme tiredness from birth. Enquired about the circumstances of her birth. Said she was born too early and was also separated from her natural mother at birth. We took her back to her pre birth and 'gave her extra weeks' in the womb which we discerned was the root of the tiredness. We then broke her off from the trauma of the rejection. Impressed on her that she was a child of God

A lady from the USA it was a second visit to the Prayer room. She looked so much brighter than her first visit. She asked for prayer from complete healing from multiple chemical sensitivities and also trouble with her jaw. She also asked for a cutting off of generational curses and the spirit of freemasonry, as her father and grandfather were both freemasons. After prayer for these issues she was asked to place her hands on her jaws and the team released healing into her jaws and throughout her whole body. Gave her Scripture Mark 11, 22-25. Speak to your mountains. She thanked the team for prayer and said she was much encouraged.

A lady from Australia came to the prayer room for the second time, seeking further prayer for painful feet after a minor accident, and also for a tumour in her breast. She was led in a declaration of Healing over her body, and as the team released healing prayer she was visibly touched, and was encouraged to keep speaking God's healing word over her body.

A lady from Latvia came with her friend who came as a translator. She came seeking prophetic words. After enquiry she opened up and said she needed prayer for depression and apathy. These were cast out and then she said she had problems with her neck. After prayer, she said the pain had gone. We felt God wanted to assure her of His love, and released a filling of the power and presence of the Holy Spirit. Gave her the word that He would give her the desires of her heart as she seeks Him.

We prayed for a lady from Poland who has had a strong faith in Jesus for many, many years and has been a missionary. She was in a lot of pain after 4 heart surgeries for 2 ½ years and needed a carer and had so much more she wanted to do for Jesus. She knew the healing power of Jesus and had seen the blind see and the deaf hear but had been waiting for her own healing. After prayer she felt

a lightness and her face was radiant with joy. She was swinging her arms and felt no restrictions or pain! She could breathe deeply.

A lady asked for prayer for eyesight. Left leg pain and cyst in her left breast. Healing prayer was released and encouragement given to declare the healing word of God over her body. She said pain was less in her leg and felt that the lump in breast was smaller. Prayer hindered by language barrier, but there was a real sense that God had moved in the situation, praising the Lord.

It was apparent with a couple of our guests is that they have been pursuing God and pressing into taking hold of His promises for direction for their lives and for healing so it was a privilege to stand with them and be a part of their journey seeing their healing to completeness, encouraging them & believing that what He has started He will finish.

A lady from UK requested prayer to have an increase of the sense of the presence of God, as she was going through transition. She also asked for prayer for thyroid condition plus 2 other nodules in the neck, and digestive problems caused by the thyroid. The Lord gave a picture of a beautiful fuchsia covered in blossom which changed to one of the lady in camouflage clothing. The thyroid was commanded to go, all her system to line up with God's will and healing to flow. Powerful sense of God's presence as she received the truth that was spoken, and she left the healing room visibly changed.

A lady requested prayer for parasitic infection in stomach, and also 10 years of chronic autoimmune deficiency and multiple intolerances. Husband also made redundant causing additional stress. The Lord gave a picture of a tap pouring water over her from top of head to toe. The sickness was cut off and healing released, assuring her of how much Father God loves her and knows all that she has been through. Team prayed too for baptism of the Holy Spirit, and the gift of speaking in tongues. Although there were no visible signs of her receiving, there was an impact of the Holy Spirit in her life during the ministry time. Praise God!
